PRICE TEN CENTS

THESE YOUNG PICKETS were among those gathered outside a Hollywood Sunset Strip restaurant where community business and civic leaders discussed street disturbances on the strip over the weekend. Twelve teenagers were arrested, charged with curfew violation. Community leaders have demanded the mayor close gathering places they term "public nuisances." (AP Wirephoto)

## Battles Flare Along 2 Fronts In S. Viet Nam

SAIGON, South Viet Nam (AP) — Ground fighting flared anew on widely separated fronts today as American infantrymen battled the Viet Cong in Communist War Zone C near the Cambodian border and U.S. Marines and South Vietnamese troops were locked in heavy fighting with Hanoi regulars near the buffer zone between the two Viet Nams.

U.S. planes, backing up the Americans in both areas, rained blows at the enemy. One Marine helicopter was shot down but there were no casualties. It was the 24th helicopter reported lost in South Viet Nam in the war.

As the Marines fought the North Vietnamese soldiers about 10 miles south of the demilitarized zone, a B-52 bomber struck in embattled Tay Ninh Province 60 miles northwest of Saigon for the seventh straight day, following up 104 strikes on Viet Cong positions by smaller tactical bombers.

The B-52 raid at mid-day came about the same time a battalion of 400 to 700 men of the U.S. 1st Infantry Division made contact with a Viet Cong force of unknown size. The outcome of the clash was not yet reported by U.S. headquarters.

To the north, two companies of Marines and two companies of South Vietnamese troops were reported in hard combat with what was believed to be a reinforced company of Hanoi regulars. It was the first heavy contact reported in the area since late September.

The Marines reported killing 14 North Vietnamese and a Marine spokesman said the fighting was continuing tonight. Both U.S. and South Vietnamese casualties were reported light.

Elsewhere, ground action was slack. Bad weather over North Viet Nam once again cut heavily into U.S. air strikes.

## Weather

By The Associated Press

Escanaba and vicinity — Considerable fog this morning and cloudy, slightly warmer this afternoon. High today, 47. Mostly cloudy and mild tonight. Low, 38. Thursday cloudy and continued mild. Friday outlook: cloudy with rain or snow likely. Light variable winds becoming southeast (6 to 14 mph) today and tonight. High yesterday, 43 and low overnight, 37. Precipitation probabilities: today, 30%; tonight, 10%; Thursday, 20%.

The sun sets today at 5:17 p.m. and rises Thursday at 7:31 a.m.

## Democrat Hope In State House Rides Recount

LANSING (AP)—House Democrats haven't given up the Nov. 8 election as a tie yet.

There's hope that the apparent 55-55 standoff between Democrats and Republicans will become a 56-54 Democratic edge after a recount in the 79th District near Flint, Speaker Joseph Kowalski, D-Detroit, said Tuesday.

Freshman Rep. Bobby Crim, D-Davison, apparently lost to Republican James F. Smith, also of Davison, by 100 votes. Most of the precincts in the district use paper ballots.

making a reversal possible, the speaker's office said.

Democrats will caucus in Lansing Tuesday preparatory to organizing the 1967 legislature. Republicans meet today for the same purpose.

The party that organizes either House has the right to pick a speaker, name house officers, set the rules, establish committees and make committee assignments.

Republicans, who took over the Senate 20-18, met last week to set up the machinery for their end of the 74th legislature.

Even if Crim's recount does not give majority control back to the Democrats, Kowalski said, "there are many compelling reasons why the Democratic caucus should accept the responsibility for organizing the house."

The reasons, he said, are:

— "With the executive office and Senate under control of the Republican party, one-party government can be avoided only by Democratic organization of the House. From his statements in the past campaign, we know Gov. (George) Romney is concerned about saving the two-party system."

— "We have a responsibility to our party and supporters to protect the legislative achievements of the past two years..."

— "It is important...that our efforts at legislative reform be continued without interruption."

Republicans argue that harmony in government will be furthered if they take over the House.

There may be a lack of harmony within the Democratic caucus, however, with at least one member pledged not to vote for Kowalski's continued leadership and other members somewhat openly eyeing party leadership posts.

HARRY Maurice Roberts, last of three men sought in the slaying of three London policemen, was arrested Tuesday near Bishop's Stortford, 20 miles northeast of London. The policemen were slain Aug. 12. Two other men are already on trial in the slayings. (AP Wirephoto)

## Game Stacked Against Player

LANSING (AP)—A legislative committee has "won" 57 in an oil company game, but only after the equivalent of 625 staps at a gasoline station.

And committee members' questions directed at gasoline retailers Tuesday indicated some of them thought the games are stacked against the players.

Rep. George F. Montgomery, D-Detroit, said his special committee on promotional merchandising devices obtained a box of 625 envelopes used by Shell Oil Co. in its "Americans" game.

Each envelope contains half of a make-believe bill, either \$1, \$5, \$20, \$50 or \$1,000. To win the money, a Shell customer must get two halves of the same bill. Then \$5 is paid the face value of the bill.

Montgomery said the committee's box contained 214 halves of \$1,000 bills—but they were all right halves. It also had 194 left halves of \$500 bills but no right halves of \$500 bills but no lefts, and 168 right halves of \$5 bills, but no lefts.

He said the committee found 94 left halves of \$1 bills and seven right halves.

## Arts Fund To Assist U.P.

DETROIT (AP)—Armed with \$150,000, the Michigan Council for the Arts Tuesday announced a far-reaching program to bring the performing arts to the outlying regions of the state.

Council Chairman Karl Haas, director of fine arts for radio station WJR, Detroit, said funds for the program would be available after Jan. 15.

The new state agency was created by the Legislature and ment chipped in \$50,000.

Haas said 18 projects have won initial approval of funds totaling \$25,750.

Two independent projects also receiving council support include the Keweenaw Playhouse in Calumet (\$7,500) and the Nellie Watts concert series in Detroit (\$3,175).

This program is intended to provide expert consultant service in all of the arts fields to new, existing or expanding arts activities," said Haas.

## Theater

Besides the Upper Peninsula's interest in the Michigan Council for the Arts program as it relates to the Keweenaw Playhouse at Calumet, the Writers' Project at Northern Michigan University, and the Peninsula's artistic groups and historical museums, the Peninsula has a project going to provide summer theater.

The Upper Michigan Tourist Association initiated the project and it is being aided by Michigan State University and other organizations. Two touring companies, one based at Ironwood and one at St. Ignace and other-erasing the U. P., are proposed.

Haas said he hoped the technical assistance program will improve the quality of performing arts programs and give communities confidence to sponsor more projects.

The council is conducting a statewide survey in communities of more than 5,000 residents, he said, to determine what facilities are available to promote various projects.

The following is a list of programs approved by the council and the amount of money authorized for each project.

Dance: Lecture and dance demonstrations by three touring companies of semi-professional based dance groups, \$5,000.

## Mid-Road GOP Have No Easy Task For 1968

WASHINGTON (AP) — Moderate Republicans may encounter stiff opposition in their efforts to get GOP governors to spearhead a move to wrest party control from the conservatives.

GOP Gov. Mark O. Hatfield of Oregon, who welcomes the label of liberal, points to a Republican governors' meeting in Colorado Springs, Colo., Dec. 9-10 as a likely forum for the moderates to get together behind a single candidate for the 1968 party presidential nomination.

"We can't afford to let happen in 1968 what happened in 1964," Hatfield said at a news conference Tuesday.

Avoid '64 Repeat

The governor, elected to the Senate last week, made it clear he was alluding to the moderates' frustrations of two years ago. At that time New York Gov. Nelson A. Rockefeller's entry into presidential primaries kept other progressive candidates out of the race until it was too late to defeat conservative Barry Goldwater for the presidential nomination.

But if the moderates expect to duplicate the 1963 feat of former New York Gov. Thomas E. Dewey in rallying nearly all of the Republican state executives behind a single candidate—in that case, Dwight D. Eisenhower—they may run into some stiff resistance.

Division Close

The 25 Republican governors, including 14 first-termers elected Nov. 8, appear to be nearly equally divided between the moderate and conservative camps.

Counting Hatfield, who is stepping from one office to another, and three defeated for reelection, the moderates could muster a majority at any session where all attended. But they would seem to have little hope of getting anything like unanimity behind them in a drive to loosen congressional control of the party.

Hatfield said that to encourage togetherness among the moderates, speculative candidates ought to make it "crystal clear" that they are not in the running.

He said he isn't, and added that he accepts at face value statements of Gov.-elect Ronald Reagan of California, Charles H. Percy, elected to the Senate in Illinois, and Rockefeller that they will not be contenders.

The Oregon governor said Gov. George Romney, who won an impressive re-election victory in Michigan, and former Vice President Richard M. Nixon, chief national Republican campaigner this year, look to him like the two top contenders.

Killed In Action

WASHINGTON (AP) — The Defense Department said Tuesday that Lance Cpl. Thomas E. Birdall, son of Mr. and Mrs. Donald P. Kohn of Royal Oak, Mich., and Lance Cpl. John A. McGrath, son of Lewis C. McGrath, Ulster, Mich., had been killed in action with the Marines in Viet Nam.

WASHINGTON (AP) — President Johnson underwent successful surgery today — doctors said they found no malignancy — and in barely a half-hour was writing out questions for his doctors.

Press secretary Bill D. Moyers said the doctors who performed twin operations — to remove a growth from Johnson's throat and repair an abdominal hernia — were satisfied with the outcome and with Johnson's condition.

He quoted them as saying the chief executive would be out of bed and taking a few steps around his third-floor hospital room later today.

Moyers reported Johnson began coming out of the anesthetic about 15 minutes after the surgery was completed.

In another 30 minutes, he said, Johnson was handed a pad and pencil — he is supposed to favor his throat for a while — and wrote out:

"Tell me something."

The doctors then gave Johnson a brief account of the operation but, apparently, that did not fully satisfy him.

Johnson reached for the pad again and wrote, "Tell me all that took place."

Earlier, in making a bare announcement that the surgery had been successful and no cancer was found, Moyers had said the procedure took 33 minutes.

# Gemini 12 Astronauts Back At Cape Today

## Prison Worker Claimed Killer At Ann Arbor

ANN ARBOR (AP) — A 30-year-old federal prison supervisor was charged with the strangulation murder of one teen-age boy today and questioned in the fatal shooting of another.

Washtenaw County Sheriff Douglas Harvey said Ralph Nuss, a work release coordinator at Milan Federal Correctional Institution, was being held in connection with the two murders.

The victims were Arland Withrow, 17, of Ypsilanti Township, and Tom Brown, 16, a Canadian, whose body was found in a shallow creek near Hartland, about 20 miles north of Ann Arbor, after Nuss was questioned by detectives.

Nuss was charged with the murder of Withrow.

Investigators said Nuss became acquainted with Withrow through mutual friends several months ago.

On Oct. 16, they said, Nuss met Withrow outside his home at 11:30 p.m.

Harvey said they then drove to Nuss' home in Augusta Township.

Withrow, tied and gagged, was loaded into the trunk of a car and driven to a deserted area south of the federal prison complex, where he was strangled with a rope, Harvey said.

The next morning, Harvey said, Withrow's body was taken to a rural area 14 miles west of Ann Arbor and dumped into a shallow creek, where it was found three days later.

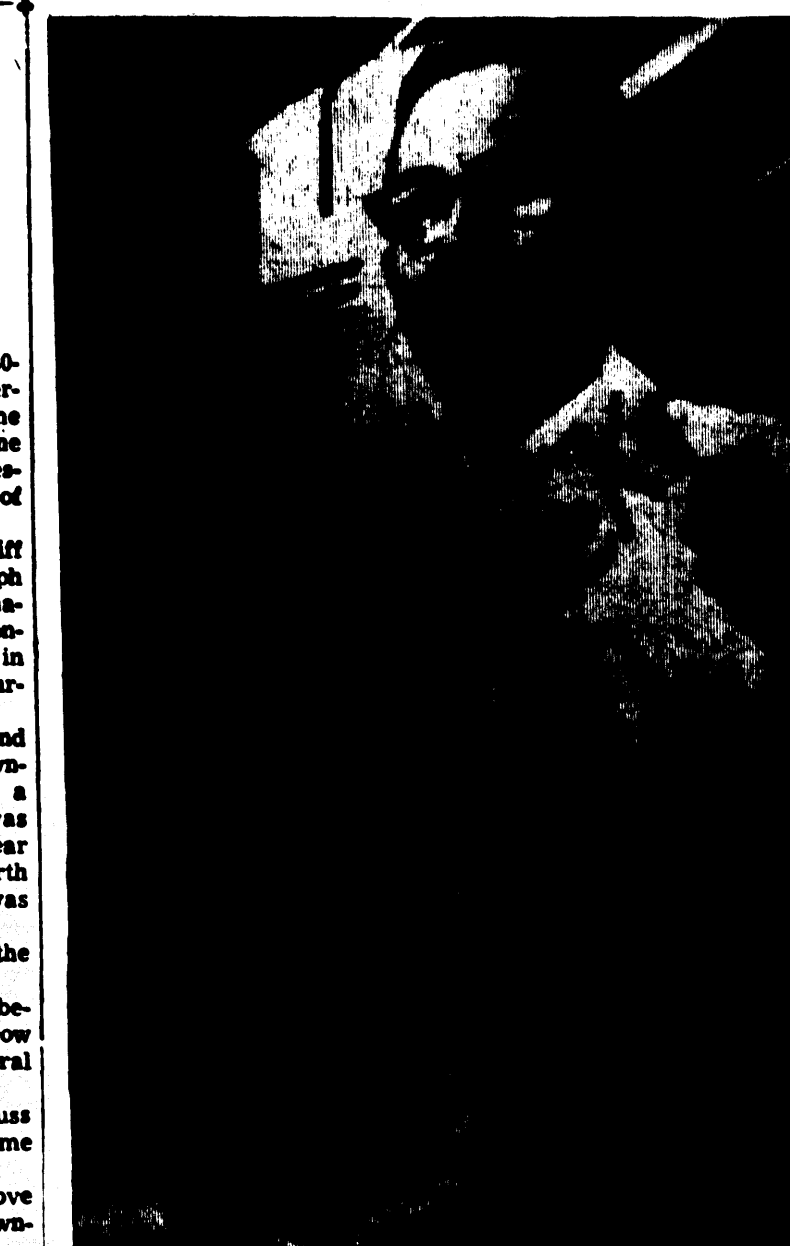

Brazil Trains Collide; 50 Die

RIO DE JANEIRO (AP) — Two trains collided head on before dawn 18 miles northwest of Rio de Janeiro today and first unofficial reports said 50 persons were killed.

The casualty figure could not be confirmed immediately, but a local radio station reported 100 injured were treated at the Nilopolis emergency hospital near the scene of the wreck.

A spokesman for the Central de Brasil Railway said the collision occurred between the suburban towns of Nilopolis and Olinda. He said the trains were collecting commuting workers.

All the spokesmen would say about the wreck was that it occurred at 5:30 a.m. and that it had knocked out the line's communications between Rio and the crash scene.

JERRY HAMMACK, National Aeronautics and Space Administration recovery chief, stands aboard the USS Wasp with a poster sent to the carrier from 11-year-old James Lovell for his dad, Astronaut James Lovell Jr. in bold red and blue letters is the greeting: "Welcome back to earth, dad." Lovell and his Gemini 12 partner, Buzz Aldrin, are due to fly back to Cape Kennedy today after their "on target" splash down in the Atlantic yesterday. (AP Wirephoto by radio from USS Wasp)

## Johnson's Surgeons Find No Malignancy

WASHINGTON (AP) — President Johnson underwent successful surgery today — doctors said they found no malignancy — and in barely a half-hour was writing out questions for his doctors.

Press secretary Bill D. Moyers said the doctors who performed twin operations — to remove a growth from Johnson's throat and repair an abdominal hernia — were satisfied with the outcome and with Johnson's condition.

He quoted them as saying the chief executive would be out of bed and taking a few steps around his third-floor hospital room later today.

Moyers reported Johnson began coming out of the anesthetic about 15 minutes after the surgery was completed.

In another 30 minutes, he said, Johnson was handed a pad and pencil — he is supposed to favor his throat for a while — and wrote out:

"Tell me something."

The doctors then gave Johnson a brief account of the operation but, apparently, that did not fully satisfy him.

Johnson reached for the pad again and wrote, "Tell me all that took place."

Earlier, in making a bare announcement that the surgery had been successful and no cancer was found, Moyers had said the procedure took 33 minutes.

A team of six doctors performed the work at the National Naval Medical Center in suburban Bethesda, Md.

Moyers, reading a statement and deferring all questions until later, began by saying the growth removed from the edge of one of Johnson's vocal cords proved to be benign, or non-malignant.

Here is the text of Moyers' announcement:

"The surgery has been completed. A benign polyp was removed from the edge of the President's vocal cord and the incisional hernia closed. The operation began about 6:27 and ended at 7:20. The President is resting well and the doctors are satisfied with the outcome of the surgery and the President's condition."

## Space Walking Aldrin Is Given Boost In Rank

CAPE KENNEDY, Fla. (AP) — Gemini 12's astronauts fly to Cape Kennedy today to begin a long series of discussions on their record-shattering space flight, a mission that opened the gate to the Apollo man-to-the-moon program.

Navy Capt. James A. Lovell Jr. and Air Force Maj. Edwin E. Aldrin Jr. planned to leave the aircraft carrier Wasp about 9 a.m. (EST) for a two-hour flight to this spaceport where they started the final Gemini journey last Friday.

The astronauts will remain at Cape Kennedy until Friday or Saturday, discussing their space flight in general terms. Then they will fly to the Manned Spacecraft Center, Houston, Tex., for several days of detailed debriefings.

After that they'll hold a news conference in Houston.

Lovell, 38, and champion space-walker, Aldrin, 36, brought the Gemini program to a triumphant end Tuesday when their space chariot splashed into the Sargasso Sea area of the Atlantic Ocean, about 700 miles southeast of Cape Kennedy.

Precision Landing

The landing was another example of the precision America has reached in its man-in-space programs. For the fourth straight time, a Gemini craft landed close enough to its recovery ship for the descent and splashdown to be relayed live by television to U.S. homes.

A helicopter put the spokesman on the deck of the aircraft carrier Wasp 30 minutes later and they strode jauntily across a red carpet, acknowledging the cheers of hundreds of sailors.

Stepping to a microphone, command pilot Lovell said: "We're both happy to end the Gemini program with a success. I hope we can continue to do as well in the space program."

Aldrin added: "We tried real hard to please everybody. I hope we've come half-way there."

Then they went below decks for extensive physical examinations, which they passed easily.

"They are in excellent condition and are in extremely good spirits," reported NASA physician Dr. Kenneth Beers. "There are no apparent problems."

Later, Aldrin said that walking in space was "a lot more than I expected it to be."

During the four-day flight he made three excursions outside Gemini 12 — a record 2-hour, 9-minute space walk and two space stands totaling 3 hours 27 minutes during which he thrust the upper part of his body through an open hatch to perform photographic and other experiments.

Makes Lt. Colonel

The feat earned Aldrin a promotion to lieutenant colonel, approved by President Johnson soon after the landing. Lovell had been promoted after an earlier Gemini mission.

The space walk proved that man, with proper pacing and equipment, can do constructive jobs outside an orbiting vehicle. He will be questioned closely about his excursions in the debriefings.

Space officials had considerable praise for the Gemini program which successfully accomplished its goal as a bridge to the moon, proving out all techniques required to move into the Apollo program.

On Moon By 1970

Gemini, which sent 20 men into space in 20 months, "has given us a great legacy to the space program," said Dr. Robert R. Gilruth, director of the Manned Spacecraft Center.

NASA officials conceded that the Apollo program has some problems, but that they expect to land men on the moon by 1970. The present timetable calls for two astronauts to step on the surface in 1968.

The first three-man earth orbit flight in the Apollo program had been scheduled this month, but slipped to January or February because of problems with the spacecraft life support and fuel tank systems.

## Meat Issue Is Facing Bishops

WASHINGTON (AP) — Whether to lift the Friday ban on eating of meat still faces Catholic bishops, who argued with the government Tuesday over birth control.

The meatless Friday question now is scheduled for discussion later this week at a conference of 219 bishops, archbishops and cardinals. It was supposed to come up Tuesday but was still under behind-the-scenes study.

Exchanges continued with the Office of Economic Opportunity over whether the government coerces welfare recipients to use birth control devices, which the Catholic Church forbids.

John W. Gardener, secretary of health, education and welfare, and OEO Director Sargent Shriver said family planning programs operate on a freedom of choice basis.

Today's Chuckle

Very often the ship on a person's shoulder is just bark.

## Few Numerical Errors Found In Vote Canvass

Few numerical errors were discovered by the Delta County Board of Canvassers in its survey of the Nov. 8 general election.

County Clerk William E. Butler, who also serves as clerk of the canvassing board, said that most of the problems in certifying results came on failure of election boards to comply with certain regulations.

He said that although 15 of 27 election boards were called to appear before the Board of Canvassers, there were no major problems.

Of 1,305 precinct totals reported for major candidates on election night, only 32 errors were found. Eleven of them came from Escanaba Precinct 1

(County Building), where election workers forgot to total absent voter ballots for eight Board of Trustees candidates for Bay de Noc Community College before reporting results.

The additional votes failed to change any results.

Four other errors came in the University of Michigan Regents race in Ensign Township, where numbers were correct, but transposed in the original report.

Voting totals reported the day after an election are all unofficial tabulations by press representatives.

Members of the Board of Canvassers are Harry Buchanan, Walter Mannette, Mary F. Fraser, and H. Gail Wiscall.

The complete county canvass totals follow:

Governor - Lt. Governor: Romney - Milliken (R), 6,638; Ferency-Bruff (D), 5,021; Secretary of State: Hare (D), 6,483; Washington (R), 4,514; Attorney General: Kelley (D), 6,222; Lindemer (R), 4,661;

U.S. Senator (Full Term): Griffin (R), 5,092; Williams (D), 5,483;

U.S. Senator (To Fill Vacancy): Griffin (R), 5,488; Williams (D), 5,272;

Congressman - 11th District: Cleveland (D), 5,948; Ruppe (R), 5,303;

State Senator - 39th District: Schneider (D), 5,418; Schweigert (R), 5,232;

Representative - 107th District: Erlundsen (D), 5,379; Varnum (R), 5,198;

Representative - 108th District: Jacobetti (D), 4,111; Rydholm (R), 3,243;

State Board of Education: Fill (D), 5,590; Thurber (D), 5,802; Augenstein (R), 4,865; O'Neil (R), 4,975;

Regents, University of Michigan: Collins (D), 5,369; Murphy (D), 5,632; Brown (R), 5,034; Huebner (R), 4,758;

Trustees, Michigan State University: Conyers (D), 5,484; Huff (D), 5,577; Merriman (R), 4,897; Thompson (R), 4,933;

Governors, Wayne State University: McKee (D), 5,705; Schmier (D), 5,514; Sokolowski (R), 4,707; Stockmeyer (R), 4,924;

Supreme Court Justices: Kavanagh, 6,070; Smith, 3,971; Brennan, 3,234; Warshawsky, 1,805;

Circuit Court Judge: Davidson, 5,871;

Trustees, Bay de Noc Community College (6 Year Term): Beck, 4,758; Groos, 4,018; LaPorte, 8,806; Allment, 3,226; Ahlin, 3,027; Eastin, 2,332; Pone, 2,253;

Trustees, Bay de Noc Community College (4 Year Term): Slaughter, 5,604;

State Proposal (16 Year Vote): Yes, 4,389; No, 4,821.

## Discrimination In Jobs Unchanged

WASHINGTON (AP)—A federally sponsored study finds that state and local fair employment commissions have done little to eliminate discrimination in employment.

The report found that commissions are so preoccupied with handling after-the-fact complaints that they have not taken effective action to stop discrimination before it occurs.

The \$165,000 study was prepared for the Equal Employment Opportunity Commission by the Institute of Labor and Industrial Relations at Wayne State University, Detroit. It was based on 770 interviews, mostly of top management personnel, by 11 agencies.

## Worry of FALSE TEETH Slipping or Irritating?

Don't be embarrassed by loose false teeth slipping, dropping or wobbling when you eat, talk or laugh. Just apply a little **FAST-TEETH** on your plates. This pleasant powder gives a remarkable sense of added comfort and security by holding plates more firmly. No gummy, gooey, sticky taste. Dentures that fit are essential to health. See your dentist regularly. Get **FAST-TEETH** at all drug counters.

## Extended Care Starts Jan. 1

A new phase of medicare, designed to make available more hospital beds for the treatment of the critically ill, will begin Jan. 1, 1967, Arnold T. Williams, manager of the Escanaba district office of the Social Security Administration announced today.

Extended care begins Jan. 1, 1967. An older person who has been hospitalized for at least three days since July 1, 1966, and who entered an extended care facility within 14 days after leaving the hospital, will have the costs of his care covered beginning Jan. 1 if he is still in the extended care facility on that date.

Williams pointed out that medicare does not provide for long term custodial care in a nursing home, but that the hospital insurance will pay for the first 20 days in full. The insurance will then pay all but \$5 per day for an additional 80 days.

A post hospital extended care facility can be a skilled nursing home, a ward or wing of a hospital used for this purpose, or it can be part of an old-age home. The facility must comply with all State and local licensing laws.

Each facility will be required to have at least one registered nurse employed full time and who will be in charge of all nursing services. A registered professional nurse or licensed practical nurse, who has graduated from an approved school of practical nursing, must be on duty at all times.

The services provided are to be those generally supplied in such facilities and should include semi-private room and board, nursing care, physical, occupational and speech therapy if required. Patients will have to be under the care of a physician.

Robert M. Ball, commissioner of Social Security, has estimated that 6,000 nursing homes throughout the country may meet the conditions required for participation by January 1, 1967, when payment for extended care begins.

## L. Diedrich To Speak At HN Parent's Club

The Holy Name High School Parents' Club, meeting at 8 o'clock Thursday evening in the multipurpose room of the school, will hear Louis Diedrich, principal of the Webster Elementary school, evaluate the Title One Developmental Reading Program conducted in three centers locally last summer.

Since this venture proved to be successful, plans for organizing another reading program for next summer are under way and a Federal grant will again be sought. Mr. Diedrich will show colored slides to illustrate the set-up and conduct a question and answer period. Faculty members will be in their home rooms from 7 to 8 p.m. for parent-teacher consultation.

Mrs. Joseph Young with committee members, Mrs. Fred LaFleur, Mrs. Francis Guay, Mrs. William Allingham and Mrs. Ed Peck, of St. Patrick's parish, will serve refreshments.

## North Western Says Merger Is Midwest's Need

CHICAGO—A merger of the North Western Railway and the Rock Island Lines is an essential element in the ultimate restructuring of the presently fragmented Middle Western Railroad network to form a strong regional system able to improve service throughout the area, an Interstate Commerce Commission hearing was told.

Ben W. Heineman, Chicago & North Western Railway chairman, made the statement in testimony before ICC hearings into the alternate proposals of North Western and Union Pacific Railroad to merge with the Rock Island. Heineman was the first of several witnesses to testify on behalf of North Western's proposal as hearings resumed this week following a month-long recess of the Rock Island case.

Heineman told the hearing that a North Western-Rock Island merger "would assist in simplifying the rail patterns throughout the area and would make a more efficient, a better balanced, a more diversified, and a much stronger rail carrier out of the two constituent parts."

"We would work to build from the present lines of the North Western and the Rock Island a system which could not only withstand economic adversities in the future but could bring greatly improved rail service to the Middle West and to the national transportation system as a whole."

Heineman described the problems facing the Middle Western rail carriers as three-fold: overcapacity of rail plant in the region; obsolete structure of the plant and services; and basic economic disadvantages faced by these lines accentuated by short hauls and extremely heavy competition from barge and truck lines.

He said that in contrast to the Union Pacific's proposal, "a combination of the North Western and the Rock Island would not involve a strengthening of the strong at the expense of the weak, but the creation of strength through the combination of two roads which, standing alone, must each be regarded as marginal. Without causing serious injury to other carriers, the combined roads will be able to convert part of the excess capacity of the Middle Western rail plant

from an economic waste to an important economic asset—not only to the Middle West but to the national transportation system."

The carriers most seriously affected are those whose operations are centered in the region; namely, North Western, Rock Island, Milwaukee and Great Western. Heineman said that, in his opinion, the ultimate solution requires that the Middle Western rail industry be restructured by consolidating the facilities of at least these four carriers.

"The creation of such a system will eliminate the delays and inefficiencies which are the inevitable result of the present fragmented rail service. It will produce savings through coordination of facilities and services and these savings can be translated into capital improvements and rate reductions," he said.

Heineman pointed out, however, that in forming a strong regional carrier, the list isn't limited to just those four carriers. He said the North Western has offered several small Midwestern lines the opportunity to join in such a consolidation and "without exception" they have declined.

Without action by the Secretary of Agriculture, a drop of 20 cents per hundredweight (48½ quarts) to farmers will come on Dec. 1, and another 20-cent drop will come on March 1, 1967.

MMPA called for the price "freeze" during testimony by Director of Marketing Vernon L. Bingham at a special hearing aimed at finding out whether emergency price stabilization by the U. S. Department of Agriculture is necessary.

Bingham's testimony closely followed that of MMPA General Manager Jack W. Barnes, who spoke on behalf of Southern Michigan dairy farmers at a hearing held Monday in Cleveland.

Both Barnes and Bingham supported the position of the National Milk Producers Federation, nationwide organization of more than a half million dairy farmers, which pointed to rising equipment costs, higher farm wage levels and general cost of living increases which farmers face.

Upper Peninsula bottling milk prices, Bingham said, must be kept at present levels at least through next June "if we are to keep our Upper Peninsula farmers economically healthy enough to fulfill the production needs of their widely scattered area."

## Job Corps Goals Told To Rotary

The objectives of the Job Corps were described to the Escanaba Rotary Club by Roger E. Johnson of the U. S. Forest Service, Escanaba, at the club's meeting at the House of Ludington Tuesday noon.

Johnson has been with the Forest Service for seven years, served in a supervisory capacity at Blackwell, a Job Corps Conservation Center, near Laona, Wis., and believes the Job Corps serves a most useful purpose.

John Trotter, Rotary Club vice president and U. S. Forest Service supervisor, introduced the speaker. The meeting was conducted by Ladore Stein, club president.

The Job Corps has received a great deal of publicity—"much of it not good," Johnson said.

Need Vocations

The objectives are entirely worthy and include 1—Increasing the educational level of young men; 2—Teaching them basic work skills and work habits; and 3—To try and make them more responsible young Americans.

One of the centers, for young women, is at Marquette and the Job Corps members are 18 through 21 years of age.

The boys who are in the rural centers, such as Blackwell, average 17½ years old, have completed the 7th grade level but only the 4th grade achievement level, and one of every four is unable to read.

"Because they are unable to pass a written examination they are unable to get into military service," Johnson reported. Most of them come from broken homes and all are

## Moberg Named President Of Booster Club

Richard Moberg has been elected president of the Holy Name High School Booster Club.

Other officers elected were Bud Hjort, vice president; Mrs. Eugene Verhame, secretary, and Walter Snyder, treasurer.

The new president has appointed a committee to revise the club's constitution and bylaws. The Booster Club this year voted to accept women members for the first time. A project to raise finances to purchase new football uniforms has been approved by the club.

## U.P. Fights To Hold Milk Line

The Michigan Milk Producers Association Tuesday, urged the Federal government to block seasonal declines in the price of Upper Peninsula dairy farmers receive for their milk at a hearing in St. Louis.

Without action by the Secretary of Agriculture, a drop of 20 cents per hundredweight (48½ quarts) to farmers will come on Dec. 1, and another 20-cent drop will come on March 1, 1967.

MMPA called for the price "freeze" during testimony by Director of Marketing Vernon L. Bingham at a special hearing aimed at finding out whether emergency price stabilization by the U. S. Department of Agriculture is necessary.

Bingham's testimony closely followed that of MMPA General Manager Jack W. Barnes, who spoke on behalf of Southern Michigan dairy farmers at a hearing held Monday in Cleveland.

Both Barnes and Bingham supported the position of the National Milk Producers Federation, nationwide organization of more than a half million dairy farmers, which pointed to rising equipment costs, higher farm wage levels and general cost of living increases which farmers face.

Upper Peninsula bottling milk prices, Bingham said, must be kept at present levels at least through next June "if we are to keep our Upper Peninsula farmers economically healthy enough to fulfill the production needs of their widely scattered area."

Bingham said that U. P. milk production dropped a quarter of a million pounds a month in 1966 compared with 1965, despite the fact that average prices paid farmers were 82 cents a hundredweight higher. There was a 6 per cent drop in the number of dairy farmers.

There has been a nationwide trend to fewer dairy farmers because of high prices for animals slaughtered for beef, good money making opportunities outside dairying and the intense cost-price squeeze on farmers.

Bingham supported the NMPP bid for a minimum basic formula price under federal milk marketing orders of \$4.34

from "poverty families."

At the Job Corps centers the young men are trained in vocational skills and educated to overcome their shortcomings. After five months at Blackwell, there were none who could not read, Johnson reported.

Cost Runs High

The boys are paid \$1 a day, receive annual vacations, and their expenses are paid for one visit to their homes. The Job Corpsmen hope they can be promoted to urban centers for additional training, to get jobs at home, or to enter the military. Some are hopeful to return to school to complete their educations.

In reply to questions Johnson said that the operational cost per Job Corpsman is between \$8,000 and \$9,000 a year.

"I see it as a tremendous investment in ending a cycle of poverty among many families," he added.

The program was begun throughout the country last December and at Blackwell there was a 30 per cent drop-out rate. Many of the young men were from the South and some had expected to find facilities and a program that was not yet completed before their arrival shortly before Christmas, he explained.

## Diabetes Camp Helps Children

(Editor's Note: This is one of a series of articles to be published this week in connection with Diabetes Week, Nov. 13-19).

The Michigan Diabetes Association sponsors a camp for all diabetic children, 8 to 16 years of age.

At present the camp is held near Pontiac on leased property and is operated for two 10 day periods, with about 100 campers at each period. It is expected that Camp Midicha (Michigan Diabetic Children's Association) within the next few years may be able to acquire a permanent campus, so the goal may be achieved that every diabetic child in Michigan may be able to attend camp.

There is at least one experienced doctor in charge of the camp at all times, assisted by one or more pediatricians-in-training from Ford and Children's Hospital. The Camp Medical Director and other senior physicians are members of the Clinical Society of the Michigan Diabetes Association, with a long period of experience and interest in the care of Diabetes. Doctors are assisted by four nurses and two dietitians.

Camp Midicha is intended to provide a satisfying summer vacation, not to provide formal learning on diabetes. Individual campers may pick up some information and often improved attitudes from daily conversations, but specific instructions about his own diabetic care are left to his own physician.

For any child who wants it, group instruction is given on how to administer his own insulin injections.

Whether or not a child can be accepted does not in any way depend upon his family's finances, as "campships" are an important part of the basic planning for Camp Midicha.

Further information can be obtained on Camp Midicha from the Delta - Menominee District Health Department, Escanaba, phone 786-4111, or UN3-9266 in Menominee.

Newspaper Want Ads are a big sell! One billion, twenty-one million was spent on classified ads last year...

## Fr. Franczek To Menominee

A shift of two pastorates brings to 13 the number of priests moving to new assignments Nov. 22, Bishop Thomas L. Noa of the Catholic Diocese of Marquette announces.

Fr. Raymond Przybylski, pastor of St. Adalbert's, Menominee since June, will go to St. Francis Xavier, Spalding; Fr. Walter Franczek, pastor at Powers-Spalding for 14 years, goes to St. Adalbert's.

Father Przybylski, born in downstate Marquette, was ordained in 1938 by Bishop Pilegna. He assisted in Sault Ste. Marie, then moved to nearby Barbeau as pastor in 1938. From the Barbeau mission of Algonquin, he worked on the beginnings of Nativity parish. In 1940, he moved to Ferronville, and, in 1947 to St. Barbara's of Vulcan.

Father Franczek, one of three priest-brothers of the diocese, observed his silver jubilee as a priest this summer. He assisted in Munising until being named administrator of the Goozville parish and its missions, in 1946.

## Plat Book To Be Up-Dated

The Delta County 4-H Council is in the process of revising and up-dating the Delta County Plat Book. There are two reasons for this; the present Plat Book is out of date, and the old issues have been depleted.

Sale of the Plat Book is a community service and also promotes 4-H Club work in the county.

The new Plat Book will print maps of all townships in Delta County with all land ownership indicated. The book will be brought up to date, making all property ownership changes until Dec. 1.

To cover the cost of the Plat Book, 4-H leaders and members are selling ads throughout the Delta County area. Persons who wish to support this 4-H Club work may contact a 4-H Club.

## Foy D. Kohler Ends Russ Tour

MOSCOW (AP) — U. S. Ambassador Foy D. Kohler paid a farewell call on Soviet Premier Alexei N. Kosygin Monday, then ended a four-year tour in Moscow. He took a U. S. Air Force plane to West Germany.

Kohler is to become deputy undersecretary of State for political affairs.

## Wealth Is Key

PHILADELPHIA (AP) — Distribution of the world's wealth — rather than population control — will be the key to the survival of man, says a Harvard University economist.

Dr. Simon Kuznets told the American Philosophical Society here that the population problem could be resolved best "by changes in economic and social institutions."

## Advisory Group Role Considered

The Escanaba City Council will have before it a list of names of persons who have evidenced willingness to serve on a Citizens Advisory Committee to aid in planning development when it meets within the next few weeks.

City Manager George Harvey, who is compiling the list of citizens who will be considered for appointment to the committee, said he is hopeful that he can get together shortly with the Council to discuss the make-up of the committee.

The committee will have approximately 40 to 50 members designed to represent a cross-section of the community, and it will serve the Council in an advisory capacity as a planning program is developed.

The city manager in his comments to the City Council suggested that consideration might be given naming supervisors of the adjacent townships to the committee. "They would be informed as to our planning program" through committee membership, he noted.

There are others who have investments and pay taxes in Escanaba who reside outside the city who should be represented on the committee, the

city manager suggested to the Council. He said he thought they would be "very much interested in the planning program and would be helpful to us."

"If real success is to be realized in meeting today's problems we must revitalize ourselves for the job," Harvey continued. "The initiative must come from the citizens themselves, acting individually and collectively through organizations and through government."

"Revitalization requires the concerted effort of every segment of the community," he said. "No single person or group can do the job alone."

"Recognizing our problems which are present is the first step. Diagnosing those problems is not as easy as it would appear. We must identify the basic factors and not just the sentiment. The citizen is the best judge of our problems."

"We should identify our assets as well as our liabilities. We should work toward strengthening our assets as well as reducing or eliminating the liabilities. It is within the assets that the real future of our community lies," Harvey concluded.

'MY SISTER EILEEN' the hilarious comedy of stage and movies, will be presented by the Holy Name Drama Club beginning Saturday night. Pictured in one scene are (from left) Jerry Wiles, Tom Ammel, Ray Chouinard, Glenna Paeske and Kathy Engman. (Daily Press Photo)

## Play Planned At Holy Name

When two small town girls come to Greenwich Village with the intention that they've got to make good—"If it's only to spite Aunt Carrie," a variety of adventures are bound to occur.

So they do in "My Sister Eileen," the three-act play to be presented by the Holy Name Drama Club on Nov. 19, 20, and 21 in the multi-purpose room. Tickets may be obtained at the door, as well as from any Holy Name student.

Eileen Sherwood, (Glenna Paeske) and her older sister Ruth, (Kathy Engman) make their residence in a shabby basement apartment owned by Mr. Appopolous, (Allan Kirch). Here they struggle to find jobs which will lead them to rewarding careers. Through the efforts of persuasive New Yorkers, Eileen and Ruth find both happiness and jobs.

Other members of the cast include: Jeannie LeCaptain, Greg Brandt, Dave Cannon, Dan Pfeiffer, Bill Peltier, Bob Engman, Barb LeMire, Mary Harvey, Dennis Bittner, Bill Olson, Jack Hughes, Carol LeMarch, Dennis Allingham, Tom Ammel, Gary Chenier, Bob Snyder, Terry Guay, Dick Robitaille, Ray Chouinard, Dale Shandoney, Jerry Wiles, Roger

## GOP Convention Resumes Thursday Here At Sherman

The Republican County fall convention will reconvene at the Sherman Hotel at 7:30 p. m. Thursday on call of County Chairman Arthur Neiman to elect an executive committee for the years 1967-68.

All Republican delegates elected at the August primary are asked by Neiman to attend the Thursday meeting.

## Sucker Spearing Lakes Designated

The Michigan Conservation Commission announces that rubber and spring-propelled spears may be used at any time in 1967 for the taking of carp, dogfish, garpike, and suckers in the following waters:

Alger County: Grand Sable Lake; Chippewa County: Carp and Frenchman lakes; Dickinson County: Hanbury Lake; Iron County: Chicago and Otawa lakes; Luce County: Long and Round Lakes; Mackinac County: Inwood Lake and Streeters Pond; Mackinac County: Witch Lake; Schoolcraft County: Sand Lake.

Gayon, Ginger Bast, Joan Rinchart and Dick Pepin. The prompter is Chris Guenette.

## Bureau Honors Wesley Hawley

An Escanaba man was the recipient of a "Distinguished Service to Agriculture" award recently, when Wesley S. Hawley of 1414 11th Ave. S., was honored Nov. 10 in Lansing by the Michigan Farm Bureau.

Now a missionary for the Church of Christ in the Upper Peninsula, Hawley, 73, served at one time as head of the Membership Department of the

statewide Farm Bureau and is credited with organizing 30 new county Farm Bureaus, including those of the Upper Peninsula.

The distinguished service awards are given each year to persons nominated by county Farm Bureaus, farmer-cooperatives, and agricultural related organizations. This year 29 persons were nominated for the honor with Mr. Hawley one of three recipients, and the only Upper Peninsula nominee.

Born and raised on a farm near Ludington in Mason County, Hawley began staff work with Farm Bureau in 1934, continuing until his retirement in 1958. He helped organize more than 500 community Farm Bureau groups in that period of time.

Following his retirement from active farm leadership, he began devoting full time to the ministry and has since helped establish several churches including the Church of Christ in Escanaba.

In presenting an engraved plaque before a dinner crowd numbering more than 1,000 persons in the Lansing Civic Center, Elton Smith, president of the Michigan Farm Bureau, commented on Hawley's 25 year career.

Referring to the plaque, Smith said that the words there "are engraved both on the plaque and on the hearts of all who know you." Smith read: "To Wesley Hawley—for his evident love of God and country and for an enthusiastic, pioneering spirit which united Farm Bureaus of both Peninsulas...."

Wesley Hawley

## New Dates For The Music Man

The dates for the presentation by the Players de Noc of "The Music Man" in the Escanaba Area High School auditorium have been changed because of a conflict with other events in the community. It was announced today by Richard Hanson, Players de Noc president.

"The Music Man" dates are: Monday, Dec. 5, Tuesday, Dec. 6, Thursday, Dec. 8, and Saturday, Dec. 10.

Certain time will be 8 o'clock each evening. Ticket reservations are being received and may be made by calling "The Music Man" Box Office, ST6-1040.

## Hospital

J. A. (Gus) Forsman, 620 S. 14th St., was admitted to Veterans Hospital, Iron Mountain. His room is 437.

## Obituary

FUNERAL services for August Anderson were held at 2 p. m. Tuesday at the Salem Lutheran Church in Bark River with the Rev. Charles Beckingham officiating assisted by the Rev. Frank E. Peterson of Norway. Burial was in the family lot in Lakeview Cemetery. Pallbearers were, George Hansen, Lucien Poisson, Henry Bunejan, Wilfred Borden, Walter Plath and Hilding Olson.

Austria introduced postcards in 1896.

## Millions For Tomorrow

The Michigan Conservation Department has plunged into long range planning and come up with a bill for the state's needs in conservation and public recreational facilities in the next 10 years that totals \$376.9 million.

Even though we've gotten used to talk about millions of dollars as though they were jellybeans such a huge amount is startling and especially so since \$278.5 million of it would have to be new money not covered by the Conservation Department's present sources of income.

A general jacking up of hunting and fishing license fees and park charges is proposed to make up the deficit, along with more earmarking of the gas tax on boats to the waterways fund.

The totals which are proposed for the fisheries, forest recreation, wildlife, parks and boating programs in the state in the next 10 years would create deficits in each program which would be greater than the present spending. The great leap ahead would provide an impetus greater than the present activities.

The Conservation Department's proposal — to be heard publicly at a meeting in East Lansing on Dec. 6 — comes at a time when the temper of the nation as expressed in the Nov. 8 election is clearly conservative. The electorate put government on notice: Slow up on tax spending.

This won't make it easier for the Conservation Department to prevail with the Legislature on the financing necessary to implement the program, but the program makes such good sense that a substantial part of it at least should be bought by the state immediately.

The Conservation Department is doing here exactly what good government should do for the people. It is telling them what should be done with their resources and warning them that unless they do it now they will do it a few years hence at an enormously increased cost. The price of land is soaring and there must be large acquisitions — especially downstate in the populous areas — if the state is to provide adequate facilities for public recreation. Delay will only enlarge the problems without enlarging the means of solving them.

In the Upper Peninsula the program will mean some land acquisition, but mostly for strategic access and management purposes. The state already owns a huge part of the Upper Peninsula and the area's chief need is development of the state and federal lands, not enlargement of them.

Our rivers need fish and our lands need more wildlife and the ways to provide them are now known and the state should be sharpening up its stewardship and providing them. That's what this "Michigan's Recreation Future" program is about.

This program would increase the trend that is ending hunting and fishing as a "poor man's sport." The license fees go up and such recreation becomes generally more expensive. We follow the pattern of Europe. Our people have more to spend on such recreation, but it changes character nonetheless and becomes more and more a pay-to-play activity.

The change appears inevitable and any reasoning that the state's lands should be kept open to its citizens without fee is self-defeating because population pressures are overrunning the playgrounds and making the hunting and fishing harder to maintain.

One of the hedges against this crush is to expand private recreational enterprise, but we are electing not to go that route. We increase the public domain and crack more taxes on the remnants of the private domain to maintain it. An encouraging exception to the trend was the recent compact between the Michigan Conservation Department and the Michigan Wisconsin Power Co. to jointly develop its woodlands in the Upper Peninsula for public recreational usage while keeping them on the tax rolls.

Jim: "Here is a hand that almost caused a fight in Waco, Tex., last month. South and West were both experts, playing with weak partners."

Oswald: "The normal play at three no-trump is for East to rise with the ace of hearts and return the nine. South will take three clubs, leaving the high club in dummy; cash the ace-king of diamonds to see if the queen will drop, enter dummy with the last club and try the spade finesse. West will take his king and cash three heart tricks for down one. South will make the last trick with the ace of spades."

Jim: "That's just what happened at most tables. Thus South went down two. It seems that that huddled before playing in ace of hearts. Then, when he returned the nine, West said, 'Nice work.' South glared at West and said, 'I assume you held the king of spades for that remark.' West

replied, 'Now that you ask, I sure do.'"

Oswald: "West's first remark was wrong but South's question was a frightful breach of ethics. What happened?"

Jim: "South cashed the ace and king of diamonds first. West played the five and then the three while East dropped the ten and then the nine. Then South ran four clubs stopping in his own hand and West discarded a heart and the eight of spades. South threw West in with the queen of hearts. West cashed two more hearts, said 'Surprise!' and produced the seven of diamonds to give his partner the last two tricks with diamonds. Down two, instead of the usual one."

Oswald: "West certainly outsmarted South but South had no right to get mad. After his question about the king of spades he deserved anything that happened to him."

Jim: "The fight wasn't between West and South. North wanted to know just what sort of an expert South was."

Oswald: "The normal play at three no-trump is for East to rise with the ace of hearts and return the nine. South will take three clubs, leaving the high club in dummy; cash the ace-king of diamonds to see if the queen will drop, enter dummy with the last club and try the spade finesse. # Sylvania Privacy Goes Public

Ann Landers

## Girl Had Best Know And Act Accordingly

Dear Ann Landers: Your reply to D. J. was ridiculous. It was also dangerous. That column is sure to be clipped and carried in the wallet of every alley cat in the country. You really gave them the green light when you said, "Unless a boy uses chloroform or a lead pipe the girl is responsible for whatever happens to her."

For twenty years I have been a house mother in a home for unwed mothers. These girls are victims of a weapon far more deadly than chloroform or a lead pipe. They were done in by sweet words of love and empty promises.

It's high time parents taught their sons that girls are not playthings to be used for pleasure, then cast aside if something goes wrong. Every young man should be taught that a decent boy is responsible for his girl.

When your column was passed around in the home today several of the expectant mothers became depressed because you placed all the blame on them. This letter is to let you know that I am cancelling the subscription of the newspaper that prints your column. — MT. CARMEL, PENNA., HOUSE MOTHER

Dear House Mother: Thanks for expressing your point of view. Since you've cancelled your subscription, I hope someone shows you my reply.

You are right when you say a decent boy should be responsible for his girl. But not all boys are decent. Moreover, out-of-wedlock pregnancies involve more than decency. There are such factors as permissive parents, sexy movies, liquor, unchaperoned parties, midnight beach blasts and going steady.

Most 16-year-old boys are not thinking about love and marriage. They are thinking about sex. The juices are flowing and they are out looking. The girl is indeed responsible for whatever happens to her because unfortunately, many boys will take whatever they can talk a girl into. She'd better know it and conduct herself accordingly.

Dear Ann Landers: Our nine-year-old daughter entered a coloring contest — not once but several times. She gave the names and addresses of five friends in an effort to win at least one of the prizes. She signed her cousin Wendy's name to one of the pictures and it won first prize. The prize was \$100 and a TV appearance.

Sylvania is now a part of the \$6,000-acre Ottawa National Forest.

Fred Fisher of the Fisher Body Division of General Motors bought an interest in Sylvania from the Biddles. When he died in 1944 his brother, Lawrence P. Fisher, acquired his interest. The Fisher interest in Sylvania eventually amounted to 75 per cent. The other 25 per cent, meanwhile, had been acquired by C. M. Christiansen, a wealthy logger from Phelps, Wis.

Lawrence Fisher entertained former President Dwight Eisenhower and his three brothers at Snap Jack Lodge in Sylvania in July 1961. The Eisenhower brothers fished Sylvania's well-stocked lakes and played golf at nearby Land O' Lakes, Wis.

Fisher died late in 1961 and the Sylvania interest passed to his estate. His widow, however, retained Maplewood Lodge and 550 acres around it on the west end of Long Lake just outside the Sylvania boundary.

Heirs to the Fisher estate indicated a desire to sell their interest in Sylvania, but Christiansen's sons, Robert of Milwaukee and Philip of Phelps, hoped to retain their interests and acquire the Fisher interest with an eye toward converting Sylvania into a private commercial recreation development.

They apparently were unable to match the federal government's bid, however, and the tract was purchased by the Forest Service last August after the Gogebic County Board of Supervisors had unanimously approved transfer of the tract from private to public ownership.

Sylvania is now a part of the \$6,000-acre Ottawa National Forest.

## BARBS

By WALTER C. PARKES

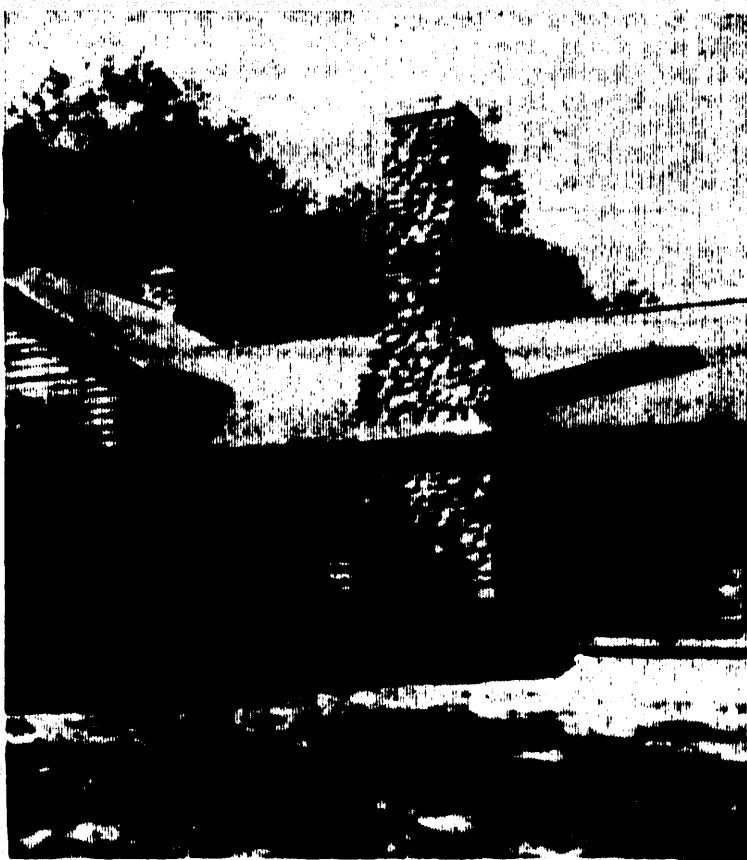

Behind many a successful man is a woman who wouldn't have married him if he hadn't been highly successful.

Nothing nourishes a friendship like an occasional feeding of compliments.

Medical experts insist there is no cure for the common cold, thereby contradicting all your friends.

Swingers are wild about a new dance called the Jelly Belly. Hey, didn't jolly old St. Nick do that?

WITH 36 LAKES, Sylvania is a paradise for canoeist and fisherman. Pictured in aerial view are (top to bottom, going toward right) Clark, Crooked, Leon and Big Bateau Lakes all surrounded by heavy forest.

THIS HOUSE WAS BUILT for Anthony J. Drexel Biddle Jr. on the Sylvania tract and measures 240 feet in length. It has 17 bedrooms and is constructed of logs from the Pacific Coast. It was never used, according to one account, but is in excellent condition.

## Ottawa Forest Gets Playground Of Rich

By KENNETH S. LOWE

Sylvania. The word rolls off the tongue melodiously. It comes from the Latin "Sylvia," meaning a wood or a forest.

But to millions of Americans, Sylvania some day will mean a land of wilderness beauty, the antithesis of the steel and concrete jungles that we call cities.

For the past 65 years Sylvania has been an exclusive woodland playground of the wealthy. For the next 65 years and more it is to be a recreation area complex operated by the U. S. Forest Service for the public.

Sylvania came into being in 1901 when U. S. Steel Corp. executives acquired 1,500 acres in Gogebic County and formed the Sylvania Club for private hunting and fishing. They acquired another 11,000 acres during the next two years and eventually added 5,500 more acres.

New the entire 18,000-acre tract has been acquired by the Forest Service for \$5,740,000 — the biggest purchase ever made under the federal Land and Water Conservation Fund program. The government estimates it will cost nearly twice that much — \$10,613,000 — to fully develop the tract for recreation use.

The tract's 18,000 acres include 14,000 acres of forest and 4,000 acres of water divided among 36 lakes and 19 ponds, with a total shoreline of 65 miles.

The southern border of the tract runs along the Wisconsin boundary.

Scores of legends have grown up around the early days of the Sylvania Club. There are stories of imported chorus girls and poker pots mounting up to \$60,000.

This much is certain: Armed guards patrolled the area to prevent (or at least reduce) poaching, and on one occasion they shot holes in the pontoons of a plane that ignored the law of privacy.

But the public has always enjoyed at least limited access to Sylvania. There is a resort on Crooked Lake, which has mostly within the Sylvania boundaries, and resort patrons have gained entry to some of

the tract. Another resort is located on a bay of Big Bateau Lake that dips into Wisconsin, providing additional public access.

Shares owned by the U. S. Steel officials later were acquired by heirs of the estate of William Ellis Corey, who was president of U. S. Steel from 1903 to 1911, and William Boyce Thompson, a copper magnate whose son-in-law, Anthony J. Drexel Biddle Jr., became ambassador to Poland.

The Biddle house still stands overlooking Clark Lake. The house is 240 feet long, has 17 bedrooms and an indoor tennis court. It is constructed of logs brought from the Pacific Coast and fitted together instead of being chinked, as is customary in log construction.

One account has it that the house was never used because Biddle died or went to Poland as ambassador before the building was completed. According to another account, the house was used only once — for a single weekend.

SPACIOUS LAWN slopes up to lodge on Snap Jack Lake in Sylvania tract where former President Eisenhower and his three brothers stayed during a vacation trip to Sylvania in 1961. It is to be converted to a center for youth, conservation and church groups by the Forest Service.

## People, Events Of Yesteryears

From the files of the Escanaba Daily Press  
25 Years Ago

Official state approval of a national defense vocational training course in machine shop work was received here by John A. Lemmer, Superintendent of schools, and the course would begin at the Gaffner Machine Shop with Harry Gaffner as instructor.

Bob Bowers, Escanaba High School student, was elected secretary of the U.P. Older Boys Conference at the annual meeting of the conference group at Ishpeming.

Members of the congregation of the First Presbyterian Church donated the use of the church to the Salvation Army when a talented vocalist among the Army's national workers would appear in a sacred concert at that place.

Members of the Delta County board of election canvassers completed their work at the court house. The canvassers were engaged in tabulating the returns from the election precincts.

## Right To Appeal Ouster Granted Gen. McDonald

LANSING (AP) — The Michigan Supreme Court gave Maj. Gen. Ronald D. McDonald a "go-ahead" Monday in his appeal of his ouster as State Adjutant General.

The high court granted McDonald leave to appeal an unfavorable Court of Appeals ruling on his challenge of Gov. George Romney's right to dismiss him from the state military post and the right of Maj. Gen. Clarence Schnipke to serve in McDonald's place.

The Supreme Court order was signed by Chief Justice Thomas Kavanagh, while Justice Theodore Souris dissented and Justices Paul Adams and John Dethmers did not participate. McDonald, working for a Lansing lithograph firm, continues as an unassigned major general in the Michigan National Guard.

His appeal requires Schnipke to show by what right he now holds the adjutant general's post and asks for a writ declaring the ousted officer "the lawful and rightful adjutant . . . in all respects entitled to hold and occupy that office."

### THE CATCH?

SIMPLY THIS... Read a booklet we have available that tells you all  
about co-operatives. Then, after you've read this booklet, there are a few  
questions to be answered. All the answers are in the booklet.

It's fun to do and it will increase your knowledge of your local co-op. And  
its important function in the community.

Come in and pick up your copy of the booklet soon and take a look as you  
know what we have to sell. What's on the floor we have in our cata-  
logue. Bring your marriage license.

# Women's Activities

## Isabella Circle Meeting Held

Daughters of Isabella Trinity Circle 362 held their regular business meeting Monday at the Teamster's Hall with 62 members present.

Regent, Mrs. James Anderson called the meeting to order and prayer was led by Mrs. Arthur Messier.

A social hour with cards followed the meeting and lunch was served by co-chairmen, Mrs. Mary Kehoe and Mrs. Thomas Lynaugh and their committee.

The next social will be Monday, Nov. 28. Details will be announced later.

Flaked tuna makes a good addition to the yolk mixture used for stuffing the cavities of hard-cooked eggs.

## Church Events

### First Methodist

Thursday, Nov. 17, 2 p. m.—The Ruth Circle will meet at the Fareway Dinette, Mrs. Sias McMarin, hostess. The Harmony Circle will meet at the home of Mrs. Vagn Gydesen, Mrs. Katherine Williams, co-hostess; 4 p. m.—Junior Choir practice.

### Bark River Methodist

Thursday, Nov. 17, 7:30 p. m.—The Adult Bible Class will meet at the church.

### Christ The King

The LCW Units of Christ the King Lutheran Church will meet at the parsonage, 1824 N. 14th Ave., at 1:30 and 7:45 p. m. on Thursday. Bible study will be followed by a coffee hour with Mrs. Erland Carlson as hostess.

MR. AND MRS. Raymond Knauf of Newberry announce the engagement of their daughter, Mary Margaret, to PFC William E. Labadie, son of Mr. and Mrs. Joseph Labadie of Nahma. No date has been set for the wedding. (Ridings Studio)

## Presbyterian Ladies To Hold Program, Tea

The Women's Association of the First United Presbyterian Church will hold its annual Christmas Program and Tea on Saturday, Dec. 3, at 2:30 p. m. at the church. This traditional affair is open to all women and college girls of the community.

A marionette performance of "Amahl And The Night Visitors," adopted from the opera by Gian-Carlo Menotti will be presented by women of the Association under the direction of Mrs. Herbert Nicholson and Mrs. Peter Zimmer. Advisor is Mrs. Robert Mosenfelder, who made the puppets, and was in charge of a similar production a few years ago. It is being repeated because of many requests.

A sale of inexpensive gift items and baked goods will be held in the primary rooms at 1:30 p. m.

Mrs. Joseph Ivens and Mrs. N. L. Lindquist are serving as co-chairmen of this event. Assisting them are Mrs. Zimmer, program chairman, Mrs. Paul Richter, sale chairman; and Mrs. Clarence Zerbe and Mrs. Victor Thorin, tea chairmen.

Committee for the tea will be Mesdames Clifford Beaudin, George Coan, Elton Dunbar, Fred Earle, David Friets, Frank Foster, E. A. Hawkins, Paul Homes, Kenneth Killmar, Verne Johnson, Donald McKie, Jack Magnusen, Grover Lewis, Ralph Shine, Sherwood Trotter, and Miss Grace McCall.

## Ensigners Club Approves List Of Activities

Ensigners 4-H Club met Monday evening at the Ensign Township Hall with Tom Safford, president, presiding. Reports were given by Carolyn Nelson, Dan Safford and James Lundberg. Jane Ann LaCrosse reported \$61.92 was the profit of the Hunters' Bake Sale.

The club's activities calendar planned by the junior leaders was approved by the membership. Activity highlights for the year include Christmas caroling and hayride parties, skating and tobogganing at Fix's Vagabond Resort, teen dance party, local and county achievement days. Cathy Fix was named dance band chairman.

Date for junior leader reports is Dec. 1 at the county extension office in Escanaba. The membership voted to host a group of 4-Hers from Iowa during the summer months. Christmas party chairmen will be Jean Pajlich, adult advisor, Mrs. William Pajlich for grades 4-6; Jane Ann LaCrosse, Cathy Fix, advisor, Mrs. Mary LaCrosse, grades 7-12. Applications for 4-H scholastic scholarships to MSU are due Dec. 15 at Art Vasold's office.

The evening's program was presented by recreation chairman Jerry Fix. Refreshments were served by Mary Fix, Tina Dominick, Kathy Johnson, and Connie Lundin. The club's next meeting will be held Dec. 12 with songleader, Ruth Olson in charge of a musical program.

MR. AND MRS. Steve Shiverski of Perronville announce the engagement of their daughter, Rose, to Ernest J. Kaven, son of Mr. and Mrs. Roland Kaven of Fairbanks, Alaska, formerly of Crystal Falls. Miss Shiverski is a home economics teacher at Kingsford Junior High School and she resides at 1300 N. Milwaukee, Iron Mountain. Her fiancé is a guidance counselor at Newberry High School. A June wedding is being planned by the couple.

### SENIORS

## Turkey Trot Dance Saturday In Rapid River

Rapid River High School's sophomore class will sponsor a "Turkey Trot" party Saturday, Nov. 19, at the Rapid River gym beginning at 8 p. m. The "We Four" will provide the dance music.

A novel idea will be introduced for the first time at the school: the party will be a turn-about affair with girls asking the boys for the date. Special events have been planned with prizes awarded to the couple originating the best "turkey trot" dance.

Thanksgiving colors of orange, brown, green and red will be used in the decorating scheme. Individual tables will be arranged around the refreshment stands.

The public is welcome and tickets may be purchased at the door.

Planning the holiday affair are Clint Safford, chairman, Mike Rasmussen, Mary Bandt, Lorraine Jacobson, Joe Columbus, Cathy Fix, Gerry Pyke, Carolyn King, Barbara Viaw and Mary Weinzirl, class advisor, Mrs. Frances Phillips.

## Church Events

### First Presbyterian

Thursday, Nov. 17, 9:30 a. m.—Women's Study Group. 7:30 p. m.—Teachers meeting.

### Evangelical Covenant

The Evangelical Covenant Church Women will meet Thursday at 2 p. m. at the church with a program and social hour. Mrs. William Kuebler and Mrs. Lloyd Peterson will be the hostesses. Members and friends are invited.

## Garden Corners Hunters Have 14

Though some early season reports indicate a lighter deer kill, this can't be said for the hunters at Tylen's resort at Garden Corners. Hunters there

have hung up 14 deer and a bear thus far. The bear was shot by Lawrence J. Jasinski of 22068 Eifel St., Warren, Mich., in the Cooke area. Trophy deer include three nice 10-pointers.

Successful deer hunters include Elmer and Thomas Trumph, who shot a doe, Harry Hawkins, Ferndale, John McCullup, Perry, Bob Yulek, Bancroft, George Keledjian of Detroit and Joe Nashar of Birmingham.

And, proving that the ladies enjoy the annual deer hunt too, Mrs. Ray McGaughey of Flint has shot a doe hunting from Tylen's with her husband.

## Inland Shipping Will Continue Until Dec. 1

Inland Lime and Stone Company shipping and crushing operations will continue until Dec. 1. An average of two boats per day are cargoed.

Shipping tonnages are down slightly from a year ago due to industry changes which utilize more dolomite stone, and lower car sales.

New construction for finer stone crushing facilities and maintenance and repair work are scheduled in the winter layoff period.

## Nurses' Meeting

A meeting for all nursing personnel in the community is scheduled Nov. 17 at 7:30 p. m., in the cafeteria of Schoolcraft Memorial Hospital. Dr. Merle Wehner will speak on drugs used in treatment of respiratory and gastro-intestinal tract diseases.

## Building Program

WARWICK, R.I. (AP) — Warwick school officials are planning a \$6.3-million building program. Bonds for the work were approved recently.

## Hunters Lose Hung Bucks

Two deer hunters had their game stolen Monday, State Police report.

An 8-point buck of Lewis Steffen, Caro, was taken from a rack at Ten Curves cabin about 10 p. m., Monday and a small buck hanging in a tree was taken from Clayton Hunter, of Kingston in Section 29 T43N, R16W, Hiawatha township. The buck was hung in a tree at 11:30 a. m.

The Steffen deer was tagged with No. D38349; license and Hunter's, with tag D384072.

Under Conservation laws, a person may shoot only one deer per year, so the hunters are "out of luck" unless the deer are recovered.

SUCCESSFUL HUNTERS at Tylen's Resort at Garden Corners have racked up 14 deer and one bear so far this season. The bear was shot by Lawrence J. Jasinski of Warren, Mich., while hunting in the Cooke area and the trophy deer include three nice 10-pointers. (Daily Press Photo)

## MANISTIQUE

### Santa's Party Will Be Dec. 3

The annual Santa Claus party for area children is scheduled in Lincoln school Saturday, Dec. 3.

Santa, Mrs. Santa and the elves will be there from 9 to 12 and again after lunch until 4, when he'll visit hospital patients.

This will be the 18th annual party sponsored by labor and business. Mrs. A. W. Heitman and Earl H. LeBrasseur head the committee in charge.

### Briefly Told

The first of a series of Fellowship suppers is scheduled today at 6:30 p. m., in the First Methodist Church. Entertainment will be by the MYF.

State Police ticketed Janice A. Burns, 212 N. 3rd, expired registration plate.

Fines of \$10 and costs of \$6.70 were assessed in Justice Court to Tom M. Humble, Walled Lake and Laura M. Tozer, Sturgis, on charges of failing to completely notch deer tags.

A story hour will be held Saturday at 11:30 a. m., in the library for children three and older.

Saint Christopher is the patron saint of ferrymen and travelers.

### Grid Awards Are Made

The annual football awards assembly was held in Manistique High School, Tuesday, with awards presented freshmen, reserve and varsity players.

Of special interest was an award presented by Bill Males, student council president to Diane Beaudry, homecoming queen. The student council plans an annual plaque award to the queen.

Coach Ron Rubick spoke of the improvement in the squad, which won its last five games. Next year the varsity will have 35 returning, 24 of whom will be lettermen.

Graduating seniors are Steve Fish, Steve Hoholik, Larry Lambert, Gary Landers, Jerry Leach, Don McCurdy, Bill Males, Paul Stoll, Gary Thompson, Phil Villemure, Dave Barton, Dan Chartier, Leonard Courneya, Mike Creeden, Larry Derousha, James Hoholik and Bill McKilligan.

Winning varsity letters were: 1st year — Neil Busch Ryan Chartier, Ron Courneya, Gary Demers, Paul Demers, Steve Fish, Charles Hinkson, Steve Hoholik, Mike Hyland, Larry Lambert, Gary Landers, Jerry Leach, Don McCurdy, Bill Males, Bob Males, Phil Nelson, Charles Richey, Larry Roberts, Pete Rushford, Jesse Schnurer, Oliver Sholander, Ron Soukup, Paul Stoll, Gary Thompson, Mike Tufnell, Pat Tufnell (manager) Roger Vanderville and Phil Villemure and 2nd year — Dave Borton (captain star) Dave Carlson, Dan Chartier, Leonard Courneya, Robert Cowman, Mike Creeden, Larry Derousha, James Hoholik, Bill McKilligan Terry Popour and Gary Sample.

Reserve letters were won by Keith Aldrich, Paul Babaladis, Ron Bouchard, Richard Burley, William Carlson, Tony Ebbi, Robert Ekstrom, Wayne Fleck, Dave Howe, Randy Kane, Russ King, Tracey LaRose, Bill Leveille, Marvin Miller, Larry Nelson, Frank Provo, Bill Rubick, James Sangraw, Mike Stoll, Howard Tennyson, David Rood, Don Tyrrell, Brad Putvin and Don Chartier.

### Pass Ordinance On Septic Tanks

An ordinance regulating septic tank construction in city areas where sewer service is not available was passed by the City Council Monday night.

An ordinance to regulate conditions under which food is handled or processed in stores and meat markets was tabled for further study. Determining whether the ordinance would duplicate or overlap services provided by other agencies is included in the council study.

A request was received for an ordinance to require residents to shovel sidewalks. Some councilmen indicated they preferred having the city operate its sidewalk plow. A jeep and V-plow have been purchased for sidewalk plowing, it was reported. Mrs. Arthur Fountain, who presented the request with Mrs. Raymond Males, questioned the length of time it would take to plow sidewalks in the city using one vehicle.

Hearing was continued on requested abandonment of a portion of Schoolcraft Ave. Mrs. E. E. Cookson, owner of property in the area asked abandonment of the portion of the street on her property in a letter to the Council. Tom Rice, interested in the purchase of property in the area for a warehouse asked that a part of the street be kept open for delivery of materials for his firm. Lyle Demers, who asked the abandonment and Bert Hulshof took part in the discussion. Narrowing of the 66-foot right-of-way has been proposed.

A report was presented indicating construction of natural gas facilities for the area is scheduled in 1967 with completion in 1968.

### Births

Dr. and Mrs. Daniel Van Eyck of Oberlin, Ohio, are the parents of a daughter, Leola Dawn born Nov. 14. The child is the first in the family. Mrs. Van Eyck was formerly Selma Sardi. Mr. and Mrs. Kenneth Van Eyck are the paternal grandparents.

### Hospital

Admitted to Schoolcraft Memorial Hospital were Margaret Gunderman, Ellen Kimmel, Viola Martin and Kathy Beaudin.

Discharged were Charles Hartley and Marvin Holzhimer.

# Michigan Reshuffles Deck For Republican Politics

By JEAN WORTH

The big blast of the Nov. 8 election is still echoing around Lansing and there's lots of activity setting up a new power structure to manage the state in the New Year.

Governor Romney will have his hand greatly strengthened in control of state government by the election results.

The Legislature—both houses—have been Democratic in the past two years.

The Senate, which was 23-15 Democratic, is now 20-18 Republican.

The House, which was 73-37 Democratic, is now 55-53 even-ten Republican-Democratic.

## GOP On Top

For practical purposes the Republicans have recaptured control of the political machinery of the Legislature after only one term rule by the Democrats, who ended a 30-year drought in the 1964 election by winning both houses.

With a 55-53 House of course, there'll be a power struggle, unless recounts upset the tie. The Democrats have trouble in their reduced ranks, with Rep. E. D. O'Brien (D-Detroit) saying that he won't vote in the party caucus for continued rule by Rep. Joseph J. Kowalski (D-Detroit) the House speaker for the past two years and Mr. Big in the Democratic Legislature. Kowalski says there's still a chance for Democratic control of the House.

## Confirmations Set

The Democrats caused Governor Romney much mischief with denial of Senate confirmation for his appointments to state offices. That sort of obstructionism will be ended and even a tie in the House will be a great improvement in organization and support for the governor's program over the heavy Democratic majority there in the past two years.

Republicans moved swiftly to reorganize the Senate, keeping Senate Minority Leader Emil Lockwood of St. Louis on as majority leader. All Senate committees except appropriations in recent years have had 6 members, with the majority party holding 4 and the minority 2 seats. Now all but appropriations will be reduced to 5 members with the Republicans holding 3 seats and the Democrats 2. There has also been a merger of committees and elimination of some.

## Schwegert Advances

Senator Thomas Schweigert

Jerome Cavanagh coming up?

(R-Petoskey) of the 37th District was named president pro tem of the senate and also chairman of the State Affairs Committee. The 1967 session is expected to be lengthy, maybe until Christmas, and busy with fiscal reform probably including an income tax.

Romney has been able to work out better liaison with the Democratic Legislature than Democratic Governors G. Mennen Williams or John Swainson with the Republican Legislature and this improvement can be expected to improve further with the Nov. 8 GOP win.

Frank Kelley, the Democratic state attorney general, and James Hare the Democratic secretary of state, were re-elected, but Kelley has made a peace of sorts with Romney after earlier sniping, and Hare's office is not as strategic politically as the attorney general's.

## Ferency Is Chairman

Zolton Ferency, the Democrats' self-chosen nominee for governor, has snatched back his resignation as state chairman of the Democratic Committee and returned to his private law practice. As the Michigan Democratic Party picks up the pieces to put them together again and prepare for the 1968 campaign, Ferency will be a factor.

It is the custom for parties to reward their campaign cripples and Ferency's name has been mentioned as a possible appointee to one of the federal district court judgeships open at Detroit. Mentioned for the other one is highly respected

Justice Otis M. Smith, who was defeated for re-election to the Michigan State Supreme Court.

Detroit Circuit Judge Thomas Brennan was elected to the State Supreme Court in a candidacy aimed at knocking off Chief Justice Thomas Kavanagh, who was re-elected.

## If Smith Resigns

Brennan's new job as a justice of the State Supreme Court is under a bit of cloud because under the new state constitution the supreme court is to be reduced from 8 to 7 justices (to get rid of the commonplace 4-4 deadlocks on decisions) when the first incumbent of the court dies, retires or resigns. Brennan asked: Suppose Justice Otis Smith should resign before his term ends?

The best answer, to that is Justice Smith's character. It would be most unlike him to do that unless a federal appointment should call upon him to step down immediately. Brennan's election gives the supreme court a 4-4 split, Democratic-Republican and on some issues it can be 3-5, because Justice Eugene Black sometimes votes maverick with the Republicans.

Ferency's decision on his own

Otis M. Smith federal bench?

political future could be a rather strong influence on structuring of the Michigan Democratic Party. It's said that with former Gov. G. Mennen Williams defeated for the Senate, U.S. Senator Philip Hart may figure more prominently in Democratic politicking and patronage decisions that he would have liked, or would have sought had Soapy Williams been elected.

## Kelley Is Prospect

Hart was not a strong campaigner before Nov. 8. Speaking for Zolton Ferency at a Democratic luncheon in River Rouge he used the term "pompous ass" in referring to Republican Governor Romney.

Attorney General Kelley is the most personable prospect

## Early November Car Sales Lower

DETROIT (AP) — New car sales in early November ran behind their 1965 pace with all four companies reporting lower sales figures than a year ago.

Preliminary sales reports list sales of 251,012 new cars, down 5.6 per cent from the 265,765 sold in the opening 10 days of November 1965.

On a percentage basis, Ford was off the most at its Nov. 1-10 report was 10.7 per cent below a year ago. American Motors was off 7, General Motors 2.6 and Chrysler 2.4 per cent.

Some of the brightest reports came from Cadillac, Buick and Pontiac all of which sold cars than in any previous opening 10 days of November. Chevrolet took the biggest drop among GM divisions as it was down about six thousand cars over a year ago.

On a calendar year basis, industry sales were off about four per cent over the record setting pace of 1965. Sales this time around through November 10 came to 7,199,944 units, comparable period of 1965.

The sporty, personalized car sector remained one of the strongest segments of the market in early November with Ford selling 13,218 Mustangs, off slightly from the 13,947 of a year ago. Mercury's new Cougar chalked up 2,467 sales and Chevrolet's new Camaro had 4,956 sales.

Plymouth is due to join that sporty car competition Nov. 25 when its enlarged, revised Barracuda line goes on sale.

## Averill Relected

DETROIT (AP) — Walter C. Averill Jr. of Saginaw, was re-elected president of the board of directors of the Michigan Association of School Boards.

Also re-elected to the meeting was Mrs. Betty S. Becker of Detroit. Mrs. Helen Field of Highland Park was named to the association's executive committee.

showing in Democratic state officialdom in the state at this time for the governor's race in 1970, with Hare elected to his 7th straight term and apparently shorn of high office ambitions. (Labor shucked him for the Democratic nomination for governor in 1962 and gave it to Lieut. Gov. John B. Swainson.) Kelley didn't relish tackling Governor Romney this time around but the situation may be greatly changed in four years.

Probably the strongest potential Democratic leader in the state is Detroit Mayor Jerome Cavanagh, who was defeated by Soapy Williams for the Democratic nomination for the Senate in the August primary. The contest was a bloodletting that hurt both men, but Cavanagh emerged from it only wounded and Williams emerges from the election politically deceased. Cavanagh will be back to try another day and there may be more heed then to his warnings of the primary that things had changed and that labor should not hope to win with a captive candidate.

## Boards Of Education

One other area where the Republicans made gains and where the Democrats had dominated the show, was in the boards of education. The GOP won two seats on the all-Democratic State Board of Education. And it won a pair of seats on each of the governing boards of the University of Michigan, Michigan State University and Wayne State University. A Democratic incumbent was ousted from each of the university boards.

More bipartisanship should be helpful to the process of contest, especially in the State Board of Education, which has new dimensions of responsibility for Michigan's public schooling and higher education and which was heavily criticized in the campaign for not meeting its responsibilities.

PUBLIC FISHING SITE on the Escanaba River near the West Gladstone Bridge is the latest to be completed in Delta County by the Conservation Department. Another, at the Boney Falls Basin, will be started soon and finished next summer. (Conservation Dept. Photo)

# Fishing Sites, Pike Marsh Being Developed By State

Additional public access sites on the Escanaba River and the development of a second "pike marsh" on Little Bay de Noc are Conservation Department projects currently under way in Delta County.

"The Northern pike fishing was improved on the bay last summer and we like to think that it was due to the big pike marsh we have operated at Rapid River for the past two years," said Cliff Long, Department fish biologist at Escanaba.

The new projects, which are being financed from regular fisheries management budget funds:

1—A pike marsh at Kipling of about 5 1/2 acres. The area was dyked off many years ago and all that is needed is a

control structure of concrete and boards to regulate the water level.

"The marsh should be in operation next spring," said Long. "We will net brood stock from the bay and put them in the marsh. While the area is relatively small, there should be some benefit to the fishing situation locally."

The pike marsh at Rapid River encompasses between 40 and 50 acres and next year it will be operated at full capacity.

Northern are real fighting game fish. They also hit in mid-summer and in mid-day and this makes them attractive to the majority of fishermen who like to spend pleasant daylight hours on the bay.

complete with boat launching, parking area, and litter barrels on the Escanaba River at the West Gladstone Bridge. The area is two acres and was acquired by land exchange with the Mead Corp.

This site, and a second one to be developed at the Boney Falls basin on the Escanaba River, open to the public fishing spots where no public access existed before.

The public access at the West Gladstone Bridge is finished and the one at Boney Falls Basin is to begin with the clearing of brush from the area this coming winter, Long reported.

"It should be ready for public use by the middle of next summer," he reported. "There is an area of about 10 acres,

# U.S. Nixes Two Chinas In UN

UNITED NATIONS, N.Y.

(AP)—U.S. efforts to insure that the Chinese seating question is decided by a two-thirds vote of the U.N. General Assembly made it plain that Washington is not supporting any two-China deal.

A mounting campaign by some American pressure groups to seat both the Nationalist and Red Chinese regimes in the United Nations had sparked some speculation that the United States might reverse its policy of blocking Peking.

The United States and 12 other nations introduced a resolution Monday asking that the two-thirds rule be applied, as before, because the Chinese issue is an important question and not just a procedural matter.

Reports from Ottawa have said that Canada, which voted against Red China last year, might cosponsor a resolution to seat both Chinas and give the Communists the Chinese seat on the Security Council.

## Disqualified

LONDON (AP) — Organizers of the Miss World contest in London disqualified Nigeria's Uzor Okafor, 22, after a diplomatic utterance about her sponsorship.

Miss World entrants normally come to competitions as winners of beauty contests in their own countries. No Miss Nigeria contest was held this year.

Uzor, the mother of two daughters, said she entered the contest only because her British husband had urged her to.

and this also was obtained from the Mead Corp. by land exchange."

Better opportunities to reach fishing places and better fishing when anglers get there are objectives of the Department's program.

## In This Corner

with Roy Crandall

Coach Jack Brighton's Lake Superior State College cage team made an impressive season start this week by bombing a star-studded Alumni team, 114-85. . . . John Bennin, former Pickford standout, paced the Lakers with 23 points. . . . Freshman Brad Shoultice, a prep ace at Soo High last season, tossed in six field goals.

Wakefield, winner of 16 games in 20 starts last season, has a pair of regulars among seven returning letter winners this season. . . . Coach Jim Daniels also has a bonus in Junior Roger Norkoll, who was a regular guard on the Newberry team that reached the U. P. Class B regional tourney at Marquette last season. . . . The Wakefield veterans include regulars Al Inkala, a 6 foot 6 inch center, and Sheldon Jakkola, 5-11 guard, along with Dave Brown, Ted Besen, Dan Hendrickson, Don Aho and Ray Sibley who is recovering from a football injury.

Coach Stan Albeck of Northern, whose Wildcats will be here for their annual intrasquad game at the Escanaba Area High School gym tonight, has indicated his players will have to concentrate on defense more this year than last season when they averaged 105 points per game. . . . The Wildcats will play the toughest schedule in the school's history, including games against such major colleges as Bradley, Montana and Ohio State.

Willard Butler, who turns out a steady stream of basketball powers at Little Niagara High School, has seven senior lettermen on his squad this season, including regulars Dick Maginn and Pat Zukowski. . . . The Redgers were 11-10 last season and finished third in the final Menominee Range Conference standings.

The top scorer in Upper Peninsula high school basketball returning from last season is Kim Peterson, the 6 foot 3 inch standout for Coach Steve Ellis at Treenary. . . . Peterson was the fourth leading scorer in the U. P. as a junior last year with 449 points and a 24.9 average during the regular season. . . . Other players back in action, who averaged 20 or more points last season, include Al Inkala of Wakefield, Chuck Boorman of Calumet, Ted Hoiska of Mass and Russ Brittain of Amasa who will be playing for Crystal Falls this season. . . . Amasa has been consolidated with the Crystal Falls school district and will not field a basketball team this year.

Menominee, Upper Peninsula football champion, was ranked in a tie for eighth place in the final Associated Press state high school Class B football poll this week. . . . Calumet, Holy Name and Gwinn were also rated among the top 25 in the final Class B poll. . . . St. Ignace was listed seventh in the final state Class C-D poll, with L'Anse, Lake Linden, DeTour and Engadine in the top 20. . . . Sault Ste. Marie was the only U. P. Class A team to make the top 30 in the ratings.

## Claassen Picks Notre Dame To Stop Spartans

By HAROLD CLAASSEN  
NEW YORK (AP) — Notre Dame will defeat Michigan State Saturday in college football's Game of the Decade — and the Irish defense will be responsible.

The names of the Notre Dame passing combination of Terry Hanratty to Jim Seymour plus the two running backs, Nick Eddy and Larry Coular, virtually have become household names during the season with its eight straight victories.

But who knows the names of the defensive unit that blanketed five of those opponents and allowed the other three foes only a total of four touchdowns?

This is the initial Notre Dame four-man line which will be there to greet any Michigan State ball carrier: Kevin Hardy, 270 pounds, and Pete Duranko, 240, at the tackles, and Allen Page, 240, and Tom Rhoads, 220, at ends.

Michigan State's defense is keyed to Bubba Smith, the end who towers 6-7 and weighs 290. Sometimes he shifts to middle guard but no matter where he is, the opposition doesn't try to annoy him. The Spartan attack, which has scored the points that has meant nine successive triumphs, has Bob Apisa doing the heavy blasting, Clinton Jones and Dwight Lee sweeping the ends, and Jim Raye doing the throwing.

But it will be the defense that decides. Here's how the other major battles Saturday look:

UCLA over Southern California: The tension for this one, which will decide the Pacific 8 Rose Bowl representative, has

## Parks Is Lone Repeat Threat

NEW YORK (AP) — Unless Dave Parks of San Francisco starts grabbing passes at twice his current rate there might not be one individual champion retaining his title in the National Football League this year.

The big one—the rushing crown—will be worn by someone else because of Jimmy Brown's retirement, but even in other statistical departments the 1966 winners are way back of the current leaders or already out of the race.

Right now the rushing title is up for grabs among Dick Bass of Los Angeles, Cleveland's Leroy Kelly and Gale Sayers of Chicago, who have gained 744, 730 and 715 yards in that order.

Last year's passing leader, John Brodie, is down in seventh place with Earl Bruce of Green Bay No. 1, followed by Washington's Sonny Jurgensen and Don Meredith of Dallas.

Parks, who missed two games, still is a threat in receiving, although he currently is in 10th place, 18 catches behind front-running Pat Studstill of Detroit, who has grabbed 20 passes.

## Eagles, 'Skins Win First Cage Clashes

### Garden Tastes Initial Defeat

ENGADINE—The Engadine Eagles, fresh from the most successful football season in the school's history, switched their talents to the cage court Tuesday night and got their basketball season off to a good start by defeating Garden, 75-67.

Coach Rod Carlson's Eagles raced to an early lead and held a 24-17 cushion at the end of the first period. But Coach Dave Pelletier's Jets stormed back in the second frame to narrow the deficit to three points, 40-37, and swept into a four point lead early in the third quarter.

Engadine came on strong to lead by six entering the final period and outscored the Jets by a 20-18 margin in the stretch.

It was a rugged opening tilt in which officials whistled 59 fouls on the two teams, 32 of them on Garden. Engadine won the game from the free throw line as the Eagles canned 25 of 45 attempts. Garden converted 17 of 38 from the charity stripe. The teams were even from the field with 25 goals each.

All five Garden starters fouled out of the game and three Eagles took early show-ers.

Veteran Jack Archie, a 6 foot 3 inch senior, led five Eagles in double scoring figures with 21 points. Top point producer for the Jets was Rod Lucas, 5 foot 11 inch junior, with 19 points.

Engadine also won the jayvee preliminary, 33-30.

### Elliott Loses Defensive Pair

ANN ARBOR (AP) — Coach Bump Elliott got some bad news Tuesday, the loss of two regular defensive linemen, while putting his Michigan football team through a brisk two-hour drill.

The Wolverines meet Ohio State at Columbus Saturday in their Big Ten finale.

Elliott said doctors reports showed defensive tackles Bob Mielke and Ken Wright will not be able to play. Wright suffered torn ligaments in his right knee in a 28-20 victory over Northwestern. Mielke has a broken right hand.

Classified Ads Cost Little But Do A Big Job

### Son Nearly Drowned

## Field Goal Saved Life

DALLAS (AP) — Dallas Cowboys' kicker Danny Villanueva, who admits, "This has not been one of my better seasons," probably kicked the most important field goal of his life last Sunday.

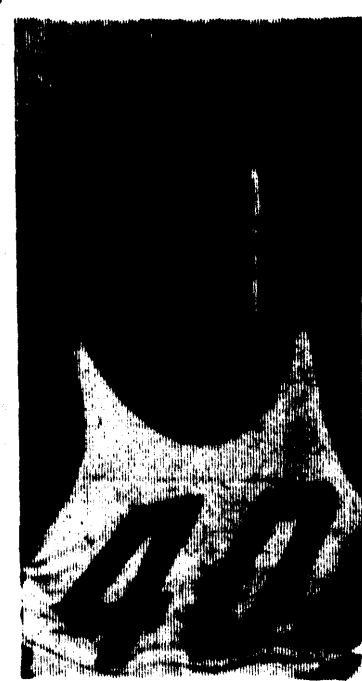

The kick, from the Washington 20-yard line with 15 seconds to play, gave Dallas a 31-30 victory. It possibly saved the life of his 3-year-old son Jimmy.

While Papa Villanueva was 1,400 miles away in Washington playing football, Jimmy had visited a friend in the apartment complex where Danny, his wife Myrna, and their two sons live.

After the game Jimmy was running home and was so excited about his father winning the game that he fell into a swimming pool. A neighbor, Robert Bonaventura, saw the boy fall, jumped into six feet of water, and rescued Jimmy.

"I don't know what would have happened if I had missed that field goal," Villanueva said today. "It is so ironic. I had kicked a field goal that was a game."

"A terrific roar went up in the apartment house when the game was over and he (Jimmy)

CON YAGODZINSKI, former Holy Name High School athlete, will be in action tonight at the Escanaba Area Public High School gym as the Northern Michigan University basketball squad stages its annual intrasquad scrimmage. Yago, a 6 foot 5 inch senior, has scored 710 points in two seasons for Coach Stan Albeck. Tonight's session will begin at 7. (NNU Photo)

### Raye-Hanratty Duel Standoff

NEW YORK (AP) — The quarterback duel between Terry Hanratty of Notre Dame and Jimmy Raye of Michigan State in Saturday's college football showdown at East Lansing, Mich., shapes up as a statistical standoff.

According to weekly NCAA figures released today, Hanratty and Raye are running neck-and-neck in offensive productivity.

Hanratty, a sophomore, stands 23rd in the nation in total offense and Raye, a junior, is 24th. Each has run for five touchdowns and their passing figures are strikingly similar.

Hanratty, who has thrown the ball more often than Raye, holds a 538 to 534 edge in completion percentage. Hanratty has completed 77 of 143 passes in eight games, Raye 55 of 103 in nine games.

Raye has tossed 10 touchdown passes, Hanratty eight. Raye leads the nation in yardage per pass attempt with a 9.4-yard average. Hanratty is third, with an 8.5-yard average, behind Bo Burris of Houston.

Hank Washington of West Texas State is the total offense leader for the third straight week. He has a 58-yard margin over runner-up Virgil Carter of Brigham Young.

### Arfons Misses Speed Record

BONNEVILLE SALT FLATS, Utah (AP) — Art Arfons wasn't sure today if he would try again to better the world land speed record.

He tried Tuesday but could reach speeds of only 324 and 353 miles per hour, considerably lower than the record of 600 m.p.h. set a year ago Tuesday by Craig Breedlove of Los Angeles.

### Junior Scores 41 In Victory

HERMANVILLE — Randy Fochesato, a deadeye junior who tossed in 333 points for Coach Don Hill last year, picked up right where he left off as the Redskins opened the 1966-67 basketball season with a 93-67 decision over Nahma before a full house here Tuesday night.

The 5 foot 11 inch forward zeroed in on the bucket for 15 field goals and canned 11 straight free throw attempts for 41 points as the Redskins moved out to an early lead and were never headed.

Fochesato warmed up with seven points in the first quarter and then hit in double figures in each of the remaining periods, contributing 12 in the second, 10 in the third and 12 in the fourth.

John Whitens flipped in 19 and Len Wellings 15 to give Hermansville three double digit scorers.

The game marked the coaching debut of Warren Groleau at Nahma. His Arrows displayed a balanced attack that had four players in double figures. Leading the way was Rick Mercier, a 5-10 junior, with 24 points. David Larson tallied 11 and Mike Turan and Jim Seifick 10 each.

The Redskins were deadly from the foul line, hitting 27 of 32 gift shots while Nahma connected on 9 of 20.

Hermansville won the jayvee preliminary, 63-40.

### Weaver Quits K. State Post

MANHATTAN, Kan. (AP) — Kansas State officials said the search for a head football coach to replace Doug Weaver began immediately after he resigned Tuesday, they praised his dedication — then they stopped talking and so did Weaver.

H. B. (Bob) Lee, K-State athletic director for 10 years, and Dean C. (Clyde) Jones, chairman of the athletic board, said a committee to screen candidates was being set up. A meeting of the athletic board was set for Monday.

Weaver dropped a curtain of silence after telling his squad of his decision. He canceled all his public appearances for the rest of the week, including his regular press conference after the Oklahoma State game here Saturday.

Weaver, 35, a former Michigan State linebacker and Missouri assistant, has two years remaining on a three-year contract and Lee said an effort would be made to retain Weaver in another capacity.

Ironically, Weaver steps down at a time when his seven-year rebuilding program is showing signs of future promise. He has some of the best sophomores in the league and the freshman squad is the best ever.

K-State has an 0-1 record this season, with the last victory in 1964.

Weaver's best team was the 1964 club, 3-4 in Big Eight play and 3-7 for the season. His overall record is 8-50-1.

TWO WHO WILL tangle in college football's game of the year Nov. 19 in East Lansing, Mich., are Notre Dame's Nick Eddy, left, and Michigan State's Clint Jones. The big battle is expected to prove which team is really No. 1.

## Beaten Coaches Compare Spartan-Irish Gridders

CHICAGO (AP) — Every football buff in the country is busy trying to figure out who will win the Notre Dame-Michigan State football game Saturday but there are only two men who have first-hand knowledge.

They happen to be Alex Agase, Northwestern's coach, and Jack Mollenkopf, Purdue's coach.

Agase and Mollenkopf have the distinction and misfortune of being the only coaches who have faced both Michigan State and Notre Dame.

Naturally, neither Agase nor Mollenkopf risk picking a winner.

"Let's say the final score will be 15-14," Mollenkopf told the Chicago Football Writers Tuesday, "and you can pick your own winner."

"Notre Dame is deeper in personnel," said Mollenkopf, "and Michigan State may have an edge in speed. Both defenses are great. I don't think either team can run against the other

and must rely on passing. Notre Dame has shown better passing."

Agase feels there is no way to measure a game upon which so much is at stake.

"Throw all past performances out the window," said Agase. "You have to rate them even-ly and start from scratch."

"Coaches know one hundred per cent what their own team will attempt and ninety per cent what the opposition will try to do."

Oddly enough, Notre Dame and Michigan State had opposite experiences against the common rivals which both teams faced on successive week-ends.

Notre Dame struggled to a 28-14 victory over Purdue and the following week blew Northwestern apart 35-7.

Michigan State ran into Purdue at midseason, piled up a 28-0 lead in the third quarter and coasted to a 41-20 victory. The following week the Spartans ran

### College Grid Player Dies

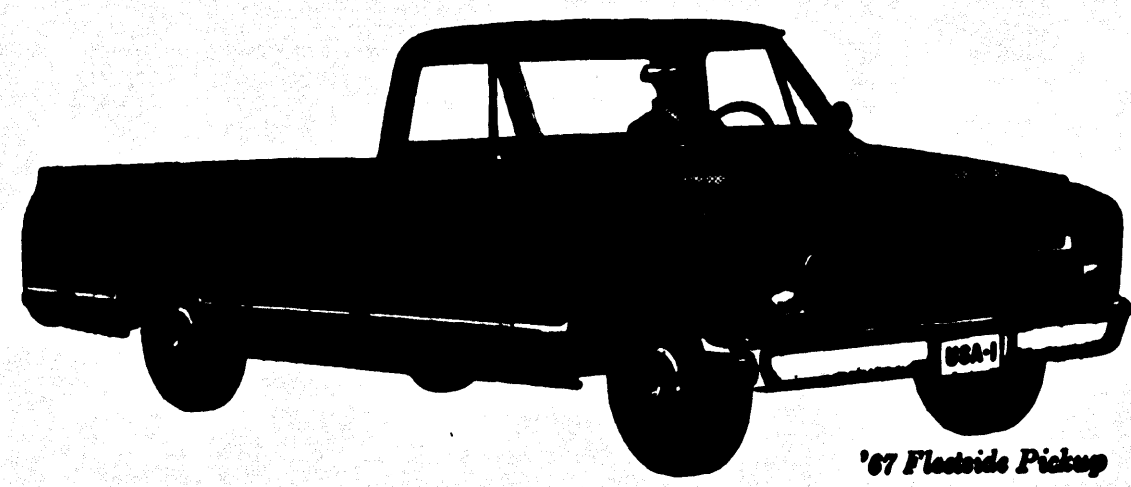

HOUSTON (AP) — Claude Smithey, defensive tackle on the University of Arkansas football team, died Tuesday in Methodist Hospital.

He was taken to the hospital Oct. 29 shortly after he collapsed in the dressing room following the Arkansas-Texas A&M game in College Station, Tex.

A hospital spokesman said Smithey died "of complications caused by head injuries."

Arkansas coaches said he played only briefly in the A&M game and films showed no blow on the head that could have caused the injury.

## Its new look is just one nice thing about the '67 Chevy pickup

'67 Fleetside Pickup

### THERE ARE LOTS OF OTHERS.

For instance, new durability: New sheet metal construction discourages rust. Eliminates exposed joints on cargo box and tailgate. Provides self-washing wheelhouse with special splash shields. Inner cab is specially treated against rust.

Also, added comfort, safety and convenience: Improved visibility all around. Dual master cylinder brake system. Telescoping lower steering shaft. Energy-absorbing instrument panel. Interior color-keyed to go with exterior paint. One-hand tailgate latch.

And extra strength: Full-depth double-wall side panels (Fleetside models). Double-wall steel in cab roof and other important areas.

Plus famous Chevrolet truck features: Independent Front Suspension that gives a smooth ride—like a car. The most popular truck 6's and V8's. (And there are lots more, as your Chevrolet dealer will show you.)

See the brand new breed of Chevy pickups at your Chevrolet dealer's

# Guide to Guessing Deer Weights

"HOW MUCH do you think my deer weighed on the hoof?" is one of the questions that is put most often to Conservation Department field men by successful deer hunters. This chart, drawing from studies made in Michigan, is designed to answer that question fairly accurately for hunters who get their deer this season. The guide is useful, however, only if hunters know the dressed weight of their animals. Here's how it works: Follow the vertical line that shows your deer's weight up to the point where it intersects with the diagonal line. From there, go directly across to the left hand column to get the approximate live weight of your deer. (Mich. Dept. of Conservation)

# Tay Ninh Battle Delays Clean-Up Of Saigon Area

SAIGON. South Viet Nam (AP)—The battle of Tay Ninh Province set back a major U.S. effort to clean up Viet Cong guerrillas near Saigon. Nearly half the combat battalions of the 1st Infantry Division had been wheeled into position for the big pacification campaign. Some operations had been mounted just outside the Vietnamese capital.

# Demo Collapse Key Says Hare

LANSING (AP)—One of the few Democratic winners of a state office Monday blamed a Democratic collapse rather than Republican strength for his party's losses in last Tuesday's election. Secretary of State James Hare, elected to a seventh term, emphasized nonvoting by Democrats as a key factor in Michigan's biggest Republican sweep since the 1940s. Hare conceded to Gov. George Romney's personal popularity and an improved GOP organization. But these, he said, wouldn't have been enough to sweep the education board seats or gain 18 House seats if it hadn't been for a breakdown in Democratic get-out-the-vote efforts. Speaking of low voting numbers in Detroit, Hare said: "There was complete and total apathy in the core city. These people were complacent, they weren't protesting anything. The vote was tremendously lopsided in our favor among those who went to the polls."

# Almost Quit

PHOENIX, Ariz. (AP)—Mr. and Mrs. Presley Jones Hill observed their 60th wedding anniversary in Phoenix, Ariz., and the 102-year-old Hill remarked: "I've never been to a dance, no shows, no parties." A year ago, he said, he almost quit smoking but didn't. Hill, a native of Tucson, was 42 and his wife, Rita, was 19 when they were married. Hill said they've never spent a day apart.

# THE LITTLE WOMAN

# GLADSTONE

## Visitor Praises Gladstone Park

(Editor's Note: The following letter was written by Louis B. Bettermann of Sarver, Pa., and was addressed to the Gladstone City Commission in regard to the city's Wilderness Park.)

Gentlemen: "Now that summers activities are over and we are settled into our slower winter routine there is time to write the letter I've wanted to write since our last visit to your Wilderness Park camp."

We visit relatives in South Dakota every summer and usually take the most direct route from Pennsylvania. Last year however we took up family tent camping and decided to try a northern route and see some different country. We used a Rand McNally Campground Guide to locate campsites and found Gladstone placed us in your area about camp time on June 27, 1965. This turned out to be a pleasant experience demanding repeat performances.

"We planned only an overnight stay but delayed an extra day to enjoy your beautiful camp. The location, the view, the convenient access to shopping and the moderate camping fee were all most impressive but even more outstanding was the absolute cleanliness of the latrines and general area. Your maintenance staff should be commended."

"This year, we again took the northern route and purposefully headed for Gladstone arriving July 2. We registered for three days this time stealing a little more time from our Dakota relatives. We were pleasantly surprised to find our own private swimming beach had been added. I was able to take each of my children in turn beyond the safety barrier for some skin diving. The best part of all was no life guard whistles to irritate my ears. I sincerely thank you for this added attraction."

"We have two years of tent camping behind us now and have come to use Wilderness Park as a standard for judging other camps. We hope you will continue to make this service available as we plan to make a stop in Gladstone each year if possible."

## Obituary

**MRS. CATHERINE LACHANCE**  
Funeral services for Mrs. Catherine Lachance were held at the Skradski Funeral Home Chapel at 2 p.m. Tuesday with the Rev. George Helzel officiating. Burial was in Fernwood cemetery. Members of the American Legion Auxiliary, August Matson Post, conducted graveside service. Honorary escort from the Legion Auxiliary were Mrs. Mary White, Mrs. Margie McCoskey, Mrs. Tillie Schram, Mrs. Margaret Grose, Mrs. Myrtle Grose and Mrs. Gertrude Minou. Active pallbearers were Walter Godfrey, Jr., Wallace Godfrey, George Goedert, Carl Jones, Richard Royra and John Caldwell.

## Briefly Told

Ervin Geymeyer, Rte. 1, Rapid River, paid \$30 fine and \$4.30 costs after pleading guilty to a state health law violation -- not having a license to service septic tanks -- when arraigned before Justice A. J. Mortier of Gladstone. He was arrested by State Police.

Mrs. Leslie Caswell, Rapid River Gift Shop, reported larceny of a cement swan planter to State Police Tuesday.

State Police ticketed John B. Boerboom, Monroe, speeding, and Dennis Moreau, 1122 N. 18th St., expired registration plates.

## Personals

James Stearns, son of Mrs. Elizabeth Stearns, 1417 Wisconsin Ave., visited over the weekend with his mother. He is a senior at Michigan State University, Lansing.

Army Pvt. Richard J. Roman, 19, son of Mr. and Mrs. William J. Roman, Rte. 1, Gladstone, has completed an engineer assistant course at Ft. Leonard Wood, Mo. During the eight-week course, he was trained to operate and maintain air compressors, engines, crane shovels and tractors.

## Church Events

**Covenant Circle**  
Afternoon Circle of Evangelical Covenant Church Women will meet at the Harold Nelson home, 1116 Michigan Ave., at 2 p.m. Thursday. Mrs. Earl Louis and Mrs. John Molin are in charge of the program.

**St. Paul's Aid**  
St. Paul's Ladies Aid Society will meet in the church parlors at 2:30 p.m. Thursday. Mrs. Frank Klug will be the hostess.

**Missionary Society**  
Women's Missionary Society of First Baptist Church will hold a regular meeting Thursday at 7:30 p.m. in the church parlors. The Rev. Dana Austin will be the speaker and the program will include a duet by pastor and Mrs. Austin. Mrs. Adell Hammond will be the hostess. The public is invited to attend.

**Evening Circle**  
Evening Circle of Evangelical Covenant Church will meet at 8 p.m. Thursday in the church. The program is being arranged by Miss Elaine Pokenky and Miss Elaine Swenson. Miss Inez Nyberg will be the hostess.

## Social

**Christmas Banquet**  
The annual Christmas Banquet for members of the Auxiliary to the B. of R. T. will be held at the Terrace at 7:30 p.m. Tuesday, Dec. 6. A short business meeting will be held at the Legion Hall at 6:30 p.m. All members who plan to attend this banquet are asked to contact Mrs. O'Neal Grose for reservations at least one week before the banquet. Gifts will be exchanged as usual.

## 28-Point Buck Reported Killed At Crystal Falls

Two of the largest deer shot in recent years—one illegally with "at least 28 points" and another taken by a Wells man—were reported today as the Upper Peninsula deer season moved into its fifth day.

Conservation officers at Escanaba district headquarters reported that Henry Levesque, 24 S. Highland Ave., Wells, bagged a buck reported to weigh dressed out at 285 pounds.

Levesque, an employee of Harnischfeger Corp., in Escanaba, was unavailable immediately for comment.

The "28 point" buck was killed illegally southwest of Crystal Falls. The buck, dressed out, weighed 270 pounds. Conservation officers said live weight on both deer must have been well over 300 pounds.

The recorded record for deer taken in the Upper Peninsula was a 354-pound dressed buck taken near Trout Creek in the western end of the Upper Peninsula in 1919. Estimates indicate that the live weight of that deer would have been at least 70 pounds greater.

**Men Arrested**  
Conservation authorities in Crystal Falls said their large deer had between 28 and 33 points, depending on who did the counting. Officers said 28 of the points were at least one

inch long, although the rack of antlers was not particularly large.

Officers said brothers Philip and Walter Skibo of Alpha were arrested in connection with the big buck. Philip pleaded guilty to charges of possession and failure to stop for an officer's signal. He paid a total of \$164 in fines and costs after spending a day in jail.

His brother, Walter, pleaded innocent to the charges and was released on \$100 bond for trial Monday, Nov. 21.

Hunting activity tapered off sharply in the Upper Peninsula today, due primarily to bad weather and departure of many lower Michigan hunters.

**Bridge Count**  
Authorities at the Mackinac Bridge reported that 11,153 hunter vehicles had crossed the bridge southbound through midnight last night. A total of 32,549 vehicles were counted northbound.

Through 7 a. m. today, 2,137 deer had been taken out of the Upper Peninsula this year, compared with 2,229 last year. There were 14 bear this year, compared to 22 a year ago.

Authorities said, however, that about 800 fewer vehicles had returned southbound.

Two hunters were lost in the Upper Peninsula Tuesday and one was still missing this morning.

A party of Conservation officers, State Police and other hunters was concentrating search efforts in Powell Township, Marquette County, in an effort to locate Harold Traders, 66, of Coldwater. Traders had complained Tuesday of chest pains.

In all, 13 hunters have been lost in the Upper Peninsula this season, with only Traders unaccounted for.

There were no additional gunfire accidents or heart attack fatalities reported Tuesday, the figures remaining at five wounded and six dead from heart attacks.

**75 Arrests Made**  
None have died from gunfire accidents this year, although a lower Michigan hunter was ruled to have committed suicide with a rifle at a hunting camp near St. Ignace.

Last year, two persons died as a result of hunting gunfire accidents, there were six persons wounded and 36 lost hunters, all accounted for.

Robert Timmer, Escanaba District law supervisor, said a total of 75 arrests have been made in the district to date.

They include, Thomas P. Groos, 21, Rte. 1, Gladstone, who paid \$25 fine and \$6.70 costs before Justice Arthur Burkman of Gwinn after pleading guilty to possession of a loaded gun in a car. Floyd A. Kemp, 27, of Rte. 1, Cornish, who was arrested on the same charge with Groos, also paid the same fine.

## Measles May Damage Brain Foster Reports

Charles W. Foster, field representative of the Michigan Association for Retarded Children, Friday urged members of the Delta County Association for Retarded Children meeting at the House of Ludington to support the M.A.R.C. campaign for immunization of all children against measles.

He called attention to recent research indicating measles a serious disease that can result in brain damage, including mental retardation. Foster said health authorities are striving for eradication of the disease throughout the United States by next year.

The Board meeting was held as part of the M.A.R.C. effort to assist chapters of the state organization throughout the Upper Peninsula to obtain services for the retarded comparable to those in other parts of the state. Foster said new programs are now possible in this area because of recent legislation supporting a state-wide plan for Michigan retarded.

## Health Planning Group formed

Upper Peninsula health professionals, business and civic leaders met recently in Marquette to adopt bylaws and organizational structure of the Upper Peninsula Health Facilities Planning Council, an organization which is designed to provide for voluntary planning of health facilities under the bylaws approved by the group.

At the meeting, the Upper Peninsula region was zoned into four areas for planning purposes. Kenneth Bray, director of the Copper Country Health and Welfare Council of Houghton, was elected chairman of zone 1. Thomas Renn, president of the Thomas Theaters, Iron Mountain, was elected chairman of zone 2. Rev. Paul Landstrom, director of Lutheran Welfare Services of Marquette, was elected chairman of zone 3. Dr. Kenneth Shoultz, chancellor of Lake Superior State College, Sault Ste. Marie, was elected chairman of zone 4.

The newly formed Upper Peninsula Health Facilities Planning Council will sponsor the zone organizations, which will be composed of community action health planning groups. The newly formed Upper Peninsula Health Facilities Planning Council is a division of Michigan Health Facilities Planning Council, a state voluntary health planning agency.

## Danforth

Mrs. George Larson has returned to her home after spending five weeks at the home of her son-in-law and daughter, Mr. and Mrs. Charles Cooper of Jackson, Mich. While there she welcomed her new granddaughter, Linda Sue who was born on Oct. 6.

Mr. and Mrs. Llewellyn Larson attended the Case annual meeting recently in Milwaukee. They also visited at the home of Mr. and Mrs. Al Hoefgen and Mr. and Mrs. Howard Vanderlinden of Milwaukee.

Mr. and Mrs. Roger Storch and Mr. and Mrs. Fred Storch accompanied Mr. and Mrs. Llewellyn Larson to the annual meeting of the Northern Freeport Silo Co. at Withee, Wis., recently.

Mr. and Mrs. Fred Juhn have returned to their home after visiting at the home of Mr. and Mrs. Charles Cota in Grand Rapids.

## Bark River

**Handi-Stitchers**  
Kathy Motto was elected president of the Harris Handi-Stitchers 4-H Club at their first meeting of the year, held Monday afternoon in the Bark River-Harris High School.

Other officers elected were: vice-President, Linda Veece; Treasurer, Carol Motto; Secretary, Olive Beauchamp; Reporter, Jean Gorecki; Recreation Leader, Maria Vandermissen. Junior leaders will be Kathy Motto, Linda Veece and Olive Beauchamp. Senior leaders will be Mrs. Edward Motto, Mrs. Harvey Arkins, Mrs. Roy Michel and Mrs. Edward Beauchamp.

The Harris Handi-Stitchers is a combination clothing and knitting club. The sewing class meets every Monday afternoon at the high school. A business meeting will be held the first Monday of each month. A Christmas party is being planned for Sunday, Dec. 11, at the high school.

## With The Deer Hunters

**Jim Peacock, 314 N. 19th St., shot a 220-pound buck at 4 p.m. Tuesday.**

**John McMahon of Hyde shot a 140-pound spikehorn in the dumping ground area on Saturday, Nov. 12 at 1 p.m. Hunting with him were Mr. and Mrs. Vern McGinnis and their son, John, of Escanaba.**

**Hunting at Elmer's Lodge are Elmer Hill and Al LeBlanc of Rock, who each downed bucks on the opening day of the season.**

**Grier Ivory of Gladstone shot an 8 point, 150 pound buck Tuesday morning at his camp in the Chippeny Creek area. Ted Sura of Birmingham, Mich., formerly of Escanaba, shot a 123 pound doe while hunting from the Ivory camp.**

**Don Jacobs of 1800 12th Ave. S. shot a 6 point, 150 pound buck on Saturday morning while hunting at his camp at Ralph.**

**Judy Derouin shot a spike horn at 8:10 a. m. Sunday while hunting in the Cornell area. This is her first year of hunting.**

**Deer kills in the Hermansville area were reported by Ted Ball, a 6 point buck; Charles Cornett, Detroit; Cyril Menard, Lloyd LaCase Sr., Ben Filmsonski; Richard Creel, Highland Park; Tom Menard, 18, son of Mr. and Mrs. Louis Menard. The Ayotte camp reports five kills and the LaFave camp two deer from eight hunters.**

**Robert Erickson, 313 S. 15th St., and Vern Erickson, Bark River, each bagged spikehorns while hunting at Bob's camp at Stonington. Bob's buck weighed 150 pounds, Vern's 170.**

## Gene Tuma Is Safe In Africa, Parents Informed

Mr. and Mrs. Joseph Tuma of Walled Lake and Escanaba have heard that their son, Gene Tuma, 22, a Peace Corpsman, is safe in Guinea in Africa and leaving the country.

He was one of 62 Peace Corpsmen and other American representatives asked to leave the country in a diplomatic hassle with the United States.

Tuma was several hundred miles inland from Guinea's capital of Conakry supervising the construction of a new sugar mill. He took over the direction of the project when the French leader left and the mill is now operating and producing sugar. The area is accessible only by jeep or helicopter.

Joseph Tuma, executive director of UPFAP in Escanaba, said that both his son, and Christopher Farrand, the Peace Corpsman of Mr. and Mrs. David Farrand of Escanaba, were finishing their tour of duty with the Peace Corps in Africa on Feb. 1. Because of this, he said, expected both to be returned to the United States now and released, not reassigned by the Corps.

Joseph Tuma said that his son reported that the people of Guinea were consistently friendly toward the Peace Corpsmen and that the trouble was entirely diplomatic and "didn't make much sense."

**Isabella**  
Mr. and Mrs. Robert Nedeau of Detroit, Mr. and Mrs. Robert Letson and family of Ontonagon visited at the home of Mrs. May Nedeau.

Mr. and Mrs. Gary Groleau of Chicago spent the weekend at the home of her parents, Mr. and Mrs. Wendell Sundling.

Mr. and Mrs. Gordon Peterson of Alpena spent the weekend visiting relatives and friends here.

Kermit Sundling and son Mike, Lee Barr, Basil Birch of Detroit are hunting from the Pete Sundling cabin at Isabella.

John Moberg of Detroit filled his license the first day of the season.

Pat Moberg of Detroit is visiting his father, Gust Moberg and doing some hunting.

Mr. and Mrs. Ralph Morrison and sons, Steven, Gregory and David of Sault Ste. Marie spent the weekend at their home here.

## Schoenbrun

MARQUETTE—News commentator David Schoenbrun, former Paris and Washington bureau chief for the Columbia Broadcasting System (CBS), will lecture at Northern Michigan University Monday, Nov. 21. The public is invited at 8:15 p. m. in Kaye Auditorium and there is no admission charge.

## 'Gramercy Ghost' Gets Good Start

**BY DAVE ANDREWS**  
"Gramercy Ghost" is a play about a Revolutionary War ghost who turns up in a Gramercy Park home in New York. It was delightful entertainment at the Escanaba Area High School auditorium Tuesday night. It will be performed again at 8 p.m. Thursday.

The play—a shift from the musicals featured at the high school in recent years—was produced by high school students as an all-school play under the direction of Clara H. Lang. As might be expected, there were opening night problems, but nothing seriously enough to overbear the effort of the characters.

Kathy Johnson, a senior who played the lead female role of Miss Nancy Willard, was excellent and ran through four changes of costume without ruffling a single strand of her shining blonde hair.

Lead male roles—junior Al Gossan as Charley Stewart, newspaper reporter; junior Tom Lang as Parker Burnett, Miss Willard's fiancée and a New York businessman, and junior John Vader as Nathaniel Coombes, the ghost—were perfectly cast.

Lang projected Burnett's "square" personality very well.

## Sheppard Case To Jury Today

CLEVELAND, Ohio (AP)—Samuel H. Sheppard's murder trial goes to the jury of seven men and five women today.

The jurors, sequestered since testimony started Nov. 1, get their charge from Common Pleas Judge Francis J. Talty, then attempt to reach a verdict in the 12-year-old case. Sheppard is charged with second-degree murder in the budgeoning slaying of his first wife, Marilyn, in her bedroom July 4, 1954.

The packed courtroom listened intently to closing arguments Tuesday in the retrial which began Oct. 24.

Prosecutor John T. Corrigan spent only 24 minutes on his closing argument. He told jurors he was confident they would "bring back a verdict consistent with the facts of this case. A verdict that would tell Sam Sheppard he can't hide from the truth and tell the other would-be Sam Sheppards they also can't hide from the truth."

F. Lee Bailey, Sheppard's chief counsel, concluded his 70-minute argument by asking the jury "to put together a picture of what happened. And you can quickly say this man is and always was not guilty. I ask you to do it with dispatch."

## Former Resident Dies Suddenly In Detroit

Mrs. Georgina Krause, 88, the former Mrs. William LeDuc of 10434 E. Outer Drive, Detroit died suddenly at her home on Tuesday.

She was born Dec. 14, 1877 in Canada and with her husband William LeDuc, owned and operated a theater and general store in Escanaba during the early 1900's. Following the death of her husband she moved to Detroit where she was married to Mr. Krause. She resided in Detroit for 48 years where she was active in the home building industry.

She is survived by one sister, Mrs. Exima Holmes of Detroit.

Friends may call at the Alto Funeral Home from 7 to 9:30 p.m. Thursday and parish prayers will be recited at 8 p.m. Thursday. Funeral services will be conducted at 9 a.m. Friday at St. Anne's Church with Rev. Stephen Maynard officiating. Burial will be in Holy Cross Cemetery.

**Dearborn Meeting Hears Experts On Philippine Affairs**  
DEARBORN (AP)—A three-day conference on Philippine-American relations opens at the University of Michigan's Dearborn branch Thursday with a keynote address by Richard Service, head of Philippine Affairs for the State Department.

The conference will be held at the Fairlane Assembly Hall, the estate of the late auto magnate Henry Ford.

University officials said more than 100 experts on Philippine affairs are expected to attend the conference, which runs through Saturday.

Among the key speakers are Sen. Edmund Muskie, D-Maine, and Salvador Lopez, Philippine ambassador to the United Nations.

More people get more news from newspapers than from all other sources combined.

Gossan, after a slow start, warmed up to Stewart's "play-boy" attitude, and Vader filtered on and off the stage like a good ghost ought to.

Carol Paulson, who played Margaret Collins, a housekeeper, overcame her youth with walk, talk and makeup and came through well as a middle-aged spinster.

Special lighting effects, which are vital to the play, were excellently handled.

Other characters were Cindy Ottensman as Augusta Ames; Lionel Hecroux as Officer Morrison; Jim D. Smith as Irv (another ghost), and John Stoll as Rocky (the third ghost); Pam Costley as the ambulance driver and Kathy Fryal as her assistant; Sally Barrett as Molly (fourth ghost) and Carol Thibodeau as Phoebe's voice.

## School Officials Schedule Meeting On Reorganization

**POWERS**—School Boards and superintendents of the Powers-Spaulding, Carney-Nadeau and Hermansville school districts have set Tuesday, Nov. 22, as date for a meeting in Carney to set a date for an election on the consolidation of the three districts.

Legal procedures on the election will also be considered.

The meeting will be another in a series of meetings to resolve a school reorganization problems in northern Menominee County.

About 50 persons turned out for a public meeting at Powers-Spaulding school recently to discuss the problem. A general information program was presented and those attending toured the school building.

The Powers-Spaulding Board of Education announced that it endorsed the proposed reorganization of Powers-Spaulding, Hermansville and Carney-Nadeau districts.

## Garden Peninsula
